**Sociology of Waiting** Paul Christopher Price,2021-05-04 In Sociology of Waiting Paul Christopher Price investigates how people wait and analyzes what individuals do while waiting It is a key feature within U S and other societies waiting is universal Sociologically waiting gets at order and our ability or inability to pause Crowds cannot rush into concert venues and supermarket clerks cannot check out customers simultaneously So we must wait In all our waiting we ve developed strategies and structures for delays and such methods and structures provide order as well as understanding we recognize why we wait The sociology of waiting is a classic piece of everyday sociology a timeless piece of routine behavior Waiting is as natural as breathing eating and drinking indeed mothers wait nine months before infants are brought to term and summer will always follow spring Waiting provides its own lessons That is watching cars weave through traffic and receive citations by police we learn that waiting may have saved time and money Shining the light on waiting permits a far superior understanding of order and how our society organizes itself around taking turns Waiting is a matter that takes up much of our valuable time and resources consequently reducing wait time has become big business

**Language Acquisition in CLIL and Non-CLIL Settings** Verena Möller,2017-12-15 Language Acquisition in CLIL and Non CLIL Settings builds a bridge between Second Language Acquisition and Learner Corpus Research LCR methodologies to take the evaluation of Content and Language Integrated Learning CLIL to a new level The study innovates in two main ways First it is based on a highly diversified L2 database which includes learner corpus data as well as experimental data from the same learners These linguistic components of the database are complemented with extensive information on learner variables including cognitive and affective factors which are rarely studied in LCR Second the study relies on multifactorial statistical analyses to assess the effectiveness of CLIL itself as well as the impact of the selectivity inherent in the CLIL system which has frequently been ignored The linguistic focus of the study is the English passive which is investigated in CLIL and non CLIL teaching materials and subsequently related to learner output
