China and America's Tech War from AI to 5G A. B. Abrams, 2022-07-18 China and America's Tech War from AI to 5G examines how Sino-U.S. geopolitical competition has increasingly centered on the performances of the two countries' technology sectors and their ability to dominate development of critical next generation technologies. It analyzes and compares the strengths of China and the U.S. ranging from the ability to produce and attract talent to the degree of government support and the scale and funding for technological research. Abrams reviews and weighs important technology areas such as green energy, artificial intelligence, Quantum Computing, and 5G, which will likely have the means both parties have exercised to gain advantages and the consequences of leadership for the country who attains it.

The Business Year: Mexico 2020 Peter Howson, The Business Year Mexico 2020 is a comprehensive examination of Latin America's second largest economy during an unprecedented period of uncertainty and change. To understand how this economy performed during this period and how it might recover, we conducted a year long investigation that includes interviews with the top executives and officials from the public and private sectors.
