**Terms of Respect** Christopher L. Eisgruber,2025-09-30 In this forcefully persuasive book Joyce Carol Oates the president of Princeton reveals how colleges are getting free speech on campuses right and how they can do better to nurture civil discourse and foster mutual respect Conversations about higher education teem with accusations that American colleges and universities are betraying free speech indoctrinating students with left wing dogma and censoring civil discussions But these complaints are badly misguided In Terms of Respect constitutional scholar and Princeton University president Christopher L Eisgruber argues that colleges and universities are largely getting free speech right Today s students engage in vigorous discussions on sensitive topics and embrace both the opportunity to learn and the right to protest Like past generations they value free speech but like all of us they sometimes misunderstand what it requires Ultimately the polarization and turmoil visible on many campuses reflect an American civic crisis that affects universities along with the rest of society But colleges Eisgruber argues can help to promote civil discussion in this raucous angry world and they can show us how to embrace free speech without sacrificing ideals of equality diversity and respect Urgent and original Terms of Respect is an ardent defense of our universities and a hopeful vision for navigating the challenges that free speech provokes for us all
