strongly felt for bringing out a journal devoted exclusively to the study and advancement of Indian culture in all its aspects. This encouraged Jas Burgess to launch the Indian antiquary in 1872. The scope was in his own words as wide as possible, incorporating manners and customs, arts, mythology, feasts, festivals, and rites, antiquities, and the history of India. Another laudable aim was to present the readers abstracts of the most recent researches of scholars in India and the West. Indian antiquary also dealt with local legends, folklore, proverbs, etc. In short, Indian antiquary was entirely devoted to the study of India in all spheres.
