,1991 *Bryant* Kathi S. Barton,2019-04-22 Harper Wilson and all her siblings were relieved when they received the notice of their parents demise No one deserved it more and the only reason Harper agreed to go back to that little town in Ohio was to make sure they were truly dead Bryant Prince and his family were immortals and hadn t aged since they d reached the age of twenty eight He and his family had always lived next door to the Wilsons but he never knew the Wilson children The Wilsons had always kept to themselves so no one had any idea what was going on in the little house of horrors If they had the Wilson parents would have been dead a long time ago There was nothing left of the Wilson house but one wall The fire had taken the rest The garage however was still intact and this was where Harper wound up Drawn in by dark morbid memories from her childhood Bryant watched her knowing that he d found his mate **Trenton** Kathi S. Barton,2022-06-19 Trenton was the last of the brothers to find a mate He saw his brothers happiness and wanted to experience that for himself Libby had moved in with her aunt to help her out And when a crazy neighbor was plotting to poison their water to make them sell their property to her the Marshalls stepped in to help From the moment Trenton figured out Libby was his mate she suddenly possessed a great deal of magic With the little people popping in and out and the house constantly changing Libby thought she was on the brink of losing her sanity Anthony Kathi S. Barton,2016-10-31 Coleen had heard just about all she wanted to hear from her grandmother about the Bentleys no one could be that nice There had to be an angle there somewhere People just didn t help other people for nothing not in this day and age Tony Bentley wasn t expecting to find his mate and as a Were Panther he could even understand her reluctance He was after all a Bentley and the poor woman had been taken through the wringer but she was his mate and he wasn t about to take no for an answer Coleen s ex had left her in a heap of debt and she couldn t allow herself to bring that kind of baggage into a relationship She d work through it somehow without the help of the mighty Bentleys *Andrew* Kathi S. Barton,2016-04-04 Andrew Lanning was happy when they shut down the family search and rescue business He hated it because it was rarely ever a rescue just bodies and that was too depressing But now he had to find something else to do Being a man of leisure left him too much time to get into trouble so he purchased a floundering cable company to occupy his time But when he started poking around the business the things he found made no
