Single Syllable Steve:

Representative One-act Plays by American Authors Margaret Gardner Mayorga, 1919 Rishi's Wish Complete Omnibus C.M. Martens, 2024-02-20 The complete five book Rishi's Wish series plus the suspense thriller sequel TEN ZERO NINE all in one collection If you love a clueless protagonist similar to Kim Harrison's Rachel Morgan in a world rich with underground beings similar to Neil Gaiman's American Gods this is an adventure you want to begin Buy now and start this adventure today About Killing Game Nightmares of fire and blood are all Desiree has to explain waking up changed Supernaturally fast and strong she has no memory of what happened or who's responsible Thinking herself safe she focuses on making a simple life for herself but the thing that did this isn't willing to let her go An attack on her life by a creature of fiction is only the first Confused and angry Dee knows this forgotten past has caught up to her Questions she's avoided rule her thoughts With no way to find answers can she survive The arrival of a mysterious stranger brings the answers she craves but is he too good to be true Is it safer to get rid of him If he can show her how to stay alive it's worth the risk Hamal breaks his own rules by coming to Dee's aid His mission was to watch not interfere But there's something about her worth putting his reputation on the line He knows she'll need all the help he can give Thrown into a world of immortals some friends some enemies Dee must decide what price she'll pay for answers or if it's better to just run Little does she know one holds the answers to her past a Rishi whose wish started it all What readers are saying I love this new world and the characters and story within There is so much happening that I could barely put it down This was a great read for me and I want more Amazon review What a fantastic debut release from this author I loved the dialogue between characters and how real they felt Nicola Rose author of Breaking the Gladiator and The Elwood Legacy Series With all the super hero and magic world stories and movies around today this story was truly so different and interesting Amazon Review What a wonderful gem among new authors Goodreads Review I have enjoyed this series and Dee is a good MC with a difficult path to forge I do not know where this is leading to but I will be reading to find out how everything plays out Booksprout Reviewer The author introduces a new world with a plethora of action secrets and mystery and made it all work to form a great story Kudos to the author on a job well done Amazon Review *Thoughts For a Portal* Jeffrey Poole, 2023-07-13 Steve and Sarah Miller find themselves back in the manor house but it's 120 years before their time The portal which delivered them into this mess is one way leaving them no way back to their present lives Sarah has been kidnapped Steve must return to Lentari for the special crystal necessary to create the two way portal and all of this is crucial to Steve's very existence He meets his great great grandfather who reveals that he is Lentarian which means Steve has Lentarian blood too Traveling between worlds was challenging enough Making the journey in another time becomes dangerously complex when the realization strikes that anything they change now will have far reaching repercussions into the future But if Steve can't save Sarah and get them back to the present the history of Lentari as well as their own fate are in jeopardy Newly edited and re-released Praise for
