## **Sins Father Bloody Trail Disenchantment:**

*Sins of the Father* Kali Amanda Browne, *The Bloody Trail of Disenchantment* is a series about the aftermath of infidelity. The first volume in the series *Sins of the Father* includes stories about how the infidelities of father figures affect the children in their lives. As in life some stories have funny moments some have tragic moments some stories have horrific details that will shock you. Some events in this collection of stories are based on real life. The scenes of atrocity and names of the guilty have been changed to protect the disenchanted so that they may continue on their bloody trail until fully healed who knows if that's even a thing. For the record there are good men in this world. Men who are honest committed loving and ethical. These stories are not about those men. *Carlotta's Wedding Reception Meltdown* K.A.
