Sissification Manual

Sue Yan Nish

Sissification Manual:

Angelsilk's Sissy Manual: the Ultimate Training Program Angelina Pinkpanties,2018-02-27 This is the penultimate most definitive and comprehensive sissy training program ever written Lesson by lesson this series will transform even the most timid or resistant of sissies to the girl she has always wanted to be This first installment is comprehensive overview of the lessons to come and several sissy fundamentals are covered within it A bit hot and heavy Reader s beware **Sissy Insurgencies** Marlon B. Ross,2021-12-06 In Sissy Insurgencies Marlon B Ross focuses on the figure of the sissy in order to rethink how Americans have imagined articulated and negotiated manhood and boyhood from the 1880s to the present Rather than collapsing sissiness into homosexuality Ross shows how sissiness constitutes a historically fluid range of gender practices that are expressed as a physical manifestation discursive epithet social identity and political phenomenon He reconsiders several black leaders intellectuals musicians and athletes within the context of sissiness from Booker T Washington George Washington Carver and James Baldwin to Little Richard Amiri Baraka and Wilt Chamberlain Whether examining Washington s practice of cleaning as an iteration of sissiness Baldwin s self fashioned sissy deportment or sissiphobia in professional sports and black nationalism Ross demonstrates that sissiness can be embraced and exploited to conform to American gender norms or disrupt racialized patriarchy In this way sissiness constitutes a central element in modern understandings of race and gender **Penile Imperialism** Sheila Joy Jeffreys,2022-08-01 In this blisteringly persuasive and piercingly intelligent book Sheila Jeffreys argues that women live under penile imperialism a regime in which men are assumed to have a sex right of access to the bodies of women and girls She reasons that the sexual revolution that began in the 1960s unleashed an explicit male sexual liberation and that even now under current laws and cultural mores women do not have the right to self determination in relation to their bodies Sheila Jeffreys argues that the exercise of the male sex right has mainstreamed misogynist attitudes and so called sexual freedom has meant the freedom of men to use women and children with impunity The power dynamics of sex rather than being eliminated has been eroticised supported by state regulations and structures that have further entrenched male domination And while men s sexual fetishisms such as BDSM and transvestism have been normalised women now have to fight as their spaces are being erased and their voices silenced in a faux inclusivity that has naturalised sexual harassment Sheila Jeffreys contends that women s human rights are profoundly harmed and sexual violence is used more than ever to enforce social control of women This is a sobering and brilliant analysis of the modern predicament of women that is impossible to ignore **Breeding (EN01)** Sue Yan Nish,2022-11-22 C01 Modern Nation Building Empty Nation is a sci fi romantic erotic political satire comedy The story begins two hundred years in the future In this first book the framework for the entire series is defined Yanket Seymour concoct a wild futuristic plan for a new government program the MSES to control the economic fate of the world nothing new Note the appendix for the entire series is in the SM069 Manual available on both Audible com and Amazon com websites C02

Program Seymour explores for the first time how absolutely wild their plan really is Yet supplying a sufficient amount of good time sex to the workforce is deemed essential to the Nations survival Yanket Seymour wrangle with the Cunt gress to support their MSES scheme regardless of the social and political nightmare it may cause C03 Family The two main characters in the Series Mary Jane the Gurls are breed into existence and introduced to the readers and listeners available on Audible com This book steps through a brief history of the Gurls from conception birth and breeding by the Human host families All the while they re being indoctrinated into the USA Inc political and economic systems by government supplied drugs to maintain a pleasant and sensual sedated state in a surrealistic world as Sex Slaves Sissies for profit C04 HCC This story has many concepts which are bitter sweet till you realize you re reading fiction The USA Inc government in the future is portrayed as an imperialistic monstrous demon shunned by all other nations and the UN The society in the new America crosses some pretty taboo moral lines supported completely by the new US second constitution with amendments So performing lewd sex acts and behavior was legitimizing for citizens in and out of public And what better way to nullify the old morals of the Caligula type society than through religion The final scene has Jane Gurl who is a one year old baptized at the Holy Cockolic Church HCC and her mother goes to confession which requires deep penetration penance

The Ultimate Sissy Boy Training Program

Mistress Dede, 2016-05-23 Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past. However, never have these lessons been combined in a back to back format before so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier, or more grounded in your sissyhood. At the end of this manual you will find a mandatory Sissy Test and whether you have taken this or another test in the past you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program. I will only consider scores of 50 or above as passing grades but are encouraged to re-take the entire course if your score is below 90. Only scores of 90 or above are considered excellent and entitle you to print the diploma that is found at the end of this course. You are encouraged to document your journey by writing about your experiences on my blog www.mistressdede.com. I wish you all the best of luck. With love, Mistress Dede.

The Ultimate Sissy Boy Training Program

Mistress Dede, 2016-05-23 The Ultimate Sissy Boy Training Program will be your ultimate guide to completely transforming yourself not only physically but also mentally into the beautiful, sexy, submissive sissy you have been yearning to become for so long. I did not create this program as another book that you can spend the weekend browsing through. Instead, the Ultimate Sissy Boy Training Program is a hands-on manual. That is, you are expected to go through the lessons and perform each assigned task to the best of your ability with the permanent goal in mind to become the very best sissy you can be. Furthermore, you should strive to complete all sections of the training in under 6 months time. Why 6 months? Because while some of you might actually be able to complete it sooner, I understand that others still partake in non-sissy affairs that might prevent you from taking on the training on a full-time basis. But if you wrap your head around the 6-month mark, you will not postpone it indefinitely like it so often happens with many of the things we want to achieve in life. So, jot down the date when you begin the training and strive to complete it in its entirety 6 months from that date. To hold yourself accountable, share this date with your Mistress/Master or share it in our Facebook page www.facebook.com/MistressDede. Some of you may be familiar with some of the material included in the course or may have already gone through some of the assignments in the past. However, never have these lessons been combined in a back-to-back format before so that they comprise a rigorous program which culminates in your complete male to female transformation. This program will be your strongest training weapon and one you can go through and refer to over and over again when you feel you are losing your sissy touch or need to feel sexier, prettier, or more grounded in your sissyhood. At the end of this manual you will find a mandatory Sissy Test and whether you have taken this or another test in the past you must re-take it at the end of your training as it will be an absolute accurate measure of your level of progress and success in this training program.
