Sitting in Hayden Carruth, 1986 This collection of essays and poems about the influence of jazz on writing and culture in this country an expanded edition of the 1986 publication is a rewarding volume for all those entranced by jazz Carruth brings his considerable poetic and literary sensibilities to bear on a topic very near to his heart Those who are devoted primarily to jazz to poetry to all the arts are also those who contribute more intelligently than others to our practical and moral political and social advancement

Jazz Eddie S. Meadows, 2013-10-23 Jazz Research and Pedagogy is the third edition of an annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

Hanging Out Sheila Liming, 2023-01-24 Hide your phone stop hustling for a second and read this passionate argument for the importance of unstructured pre digital hang People Loneliness is an epidemic it feels harder than ever to connect with others meaningfully What can we do to remedy this Sheila Liming has the answer we need to hang out more With the introduction of AI and constant Zoom meetings our lives have become more fractured digital and chaotic Hanging Out The Radical Power of Killing Time shows us what we have lost to the frenetic pace of digital life and how to get it back Combining personal narrative with

pungent analyses of books movies and TV shows Sheila Liming shows us how the new social landscape deadens our connections with others connections that are vital to both self care and to a vibrant community Whether drinking with strangers in a distant city or jamming with musician friends in an abandoned Pittsburgh row house Liming demonstrates that unstructured social time is the key to a freer happier sense of self Hanging Out shows how simple acts of casual connection are the glue that binds us together and how community is the antidote to the disconnection and isolation that dominates contemporary life The book conceives of hanging out as a way to reclaim time as something other than a raw ingredient to be converted into productivity New York Times Rich with illuminating stories Slate We could all use more of that blissfully unstructured social time posits Sheila Liming in the well considered series of arguments found in Hanging Out Reader s Digest Opens with a simple and expansive account of what hanging out is Liming dedicates much of the book to stories from her past She has lived an interesting life and she tells these stories well Washington Post Sharp and vivid writing a layered exploration of social dynamics that contains some textured literary criticism Bookforum More books about hanging out less about productivity please Sheila Liming sees the gap in our thinking about time and the true worth in spending it in an unstructured fashion with members of our community LitHub The Flood Year 1927 Susan Scott Parrish,2018-12-04 A richly nuanced cultural history of the Great Mississippi flood The Great Mississippi Flood of 1927 was the most destructive river flood in U S history drowning crops and displacing more than half a million people across seven states It was also the first environmental disaster to be experienced virtually on a mass scale The Flood Year 1927 draws from newspapers radio broadcasts political cartoons vaudeville blues songs poetry and fiction to show how this event provoked an intense and lasting cultural response Americans at first seemed united in what Herbert Hoover called a great relief machine but deep rifts soon arose Southerners pointing to faulty federal levee design decried the attack of Yankee water The condition of African American evacuees prompted comparisons to slavery from pundits like W E B Du Bois and Ida B Wells And environmentalists like Gifford Pinchot called the flood the most colossal blunder in civilized history Susan Scott Parrish examines how these and other key figures from entertainers Will Rogers Miller Lyles and Bessie Smith to authors Sterling Brown William Faulkner and Richard Wright shaped public awareness and collective memory of the event The crises of this period that usually dominate historical accounts are war and financial collapse but The Flood Year 1927 allows us to assess how mediated environmental disasters became central to modern consciousness Sitting in Hayden Carruth,1986 This collection of essays and poems about the influence of jazz on writing and culture in this country an expanded edition of the 1986 publication is a rewarding volume for all those entranced by jazz Carruth brings his considerable poetic and literary sensibilities to bear on a topic very near to his heart Those who are devoted primarily to jazz to poetry to all the arts are also those who contribute more intelligently than others to our practical and moral political and social advancement The Poetry Blues William Matthews,2001 A posthumous collection of essays on poetry jazz art and language by one of America s
