Heartful Permission Gurpreet Sandhu, 2016-08-12 Everything is so opposite I was just seeing how different the inner world is from the outer world In the inner world if you see any anger you just show your love If you see any kind of power you become powerless You see any bigness you become small If you see any thief you give your keys If there is something closed inside of you you just stand there as it is Everything is so opposite You see something speedy inside you just be in the restfulness You do not need any kind of tool to live this handleless way If any part is fighting you completely lay your head down Then the treasure is there but you do not need to look after it Th en the power is there but you do not need it The knowledge is there but you are not

thirsty anymore The source is there but you do not want that ending And this is where you just wonder is it beginning or ending Is it living or dying Is it everything or nothing You just wonder is there more to give or to receive Gurpreet In Heartful Permission Gurpreet offers a collection of her open talks from 2014 which are transcribed in book format by volunteers She reminds us of the path of awakening and the significance of having an incarnate teacher
