S. Burns, 2017-03-20 Social media is arguably one of the most powerful technology enabled innovations since the Internet itself. This single volume book provides a broad and easily understandable discussion of the evolution of social media related problems and controversies especially for youth, key people and organizations and useful social media data. Social media is an integral part of people's lives. More than half of the world's 2.4 billion Internet users sign in to a social network regularly, a figure that continues to grow. More than half of online adults now use two or more social media sites. 71 percent of Internet users are on Facebook. This book surveys the history of social media, addresses the power of social media for positive change, describes the problems and controversies social media have caused and suggests potential solutions to these issues. Geared toward students and general readers, this accessibly written book covers such topics as the link between social media and body image, the psychological affects of social media use, online conversations about sexual assault, corporate use of social media data, political campaigning through social media, fan tweeting during television shows and crisis communication through social media. Readers will also gain insights into the range of serious problems related to social media including privacy concerns, social media addiction, social media hoaxes and scams, the pressure to project an ideal self, the curation of content presented on social media, cyberbullying, sexting, Facebook depression and envy, online shaming and the impact of social media use on communication skills.

All Kinds of Other James Sie, 2021-05-04 In this tender nuanced coming of age love story two boys, one who is cis and one who is trans, have been guarding their hearts until their feelings for each other give them a reason to stand up to their fears. Two boys are starting over at a new high school. Jules is still figuring out what it means to be gay and just how out he wants to be. Jack is reeling from a fall out with his best friend and isn't ready to let anyone else in just yet. When Jules and Jack meet, the sparks are undeniable. But when a video linking Jack to a pair of popular trans vloggers is leaked to the school, the revelations thrust both boys into the spotlight they'd tried to avoid. Suddenly Jack and Jules must face a choice to play it safe and stay under the radar or claim their own space in the world together. □□□□

□□□□, 2012 Lock and Key: The Initiation Ridley Pearson, 2016-09-20 Will leave you dying to know more. Rick Riordan, author of the Percy Jackson series, The New York Times bestselling author of the Peter and the Starcatchers and Kingdom Keepers series. Ridley Pearson brings us the riveting first tale of the Lock and Key trilogy about the origins of the rivalry between literature's most famous enemies, Sherlock Holmes and James Moriarty, told from the perspective of James's observant little sister, Moria. Before James grew up to be a ruthless remorseless villain, he was a curious boy from Boston with a penchant for trouble and an acid tongue. Thrown into a boarding school against his wishes, James winds up rooming with a most unlikely companion, a lanky British know-it-all named Sherlock Holmes Lock, to his friends. An heirloom Bible donated by the Moriarty family more than a hundred years ago has gone missing, and it doesn't take long for the two to find themselves embroiled in the school-wide scandal. The school is on lockdown until its found, strange clues keep finding their way to James, and a secret society lurks behind it all. It's a brave new reimagining of the Sherlock Holmes series as only master of suspense.

Snap It! Carolyn Bernhardt, 2016-08-15. Cover Contents: What Is Snapchat, Snapchat Site, Bytes, Supplies, Staying Safe, Real Life Lenses, Photo Painting, My Story, Streamer, Geofilter, Frames, Mini Avatar, Magnets, Group Gallery, Fast Forward, and Rewind, Flip Book, Glossary, Websites, Index, Back Cover. [Snapchat 101: a Complete Guide to Snapchat](#) Brandon Jones, 2017-08-24. This book contains information on what, why, and how's of Snapchat. Jones starts with a brief introduction about Snapchat, its history, and eventually proceeds to topics such as Snapchat paid advertising. Developed by three Stanford University students: Evan Spiegel, Bobby Murphy, and Reggie Brown, as a part of a class project, Snapchat began under the name Picaboo. When Evan Spiegel pitched the idea to the class in April 2011, the other students scoffed at the idea of impermanent photos. Little did they know that this idea would go on to become insanely popular. In 2014, the Snapchat app was the fastest growing social app, boasting a 57 percent growth in the course of the year. While Pinterest, Instagram, and Facebook Messenger also had a high rate of growth, none of them could come close to keeping up with the amount of downloads Snapchat was getting. While there are many different platforms out there that incorporate images and videos, Snapchat has found a niche in the social media universe. It has become one of the most popular social networks around. And it shows no signs of stopping. Snapchat is a social media app that allows you to take pictures and videos and send them to others without having to worry about whether or not it'll still be there the next day. In particular, worrying about your embarrassing pics and videos. This is because Snapchat was designed to specifically delete or remove the pictures or videos, also called memories, that you post from its database within 24 hours after being posted on its platform. And more than just being about pictures and videos, Snapchat is all about short-term content, also called transient pictures and videos. That is why, by default, all you can see on the app's home screen is just a simple camera view. And with such simplicity, it's very easy and convenient to send your pictures and videos to just about anyone on Snapchat. Here is a preview of what you will learn: Snapchat and its history, Getting Started on Snapchat, How to take and Send a Snap, How is Snapchat different from WhatsApp.
