

## **FOREWORD**

This manual contains an introductory description on SUZUKI XF650 and procedures for its inspection/service and overhaul of its main components.

Other information considered as generally known is not included.

Read GENERAL INFORMATION section to familiarize yourself with outline of the vehicle and MAINTENANCE and other sections to use as a guide for proper inspection and service.

This manual will help you know the vehicle better so that you can assure your customers of your optimum and quick service.

- This manual has been prepared on the basis of the latest specification at the time of publication.  
If modification has been made since then, difference may exist between the content of this manual and the actual vehicle.
- Illustrations in this manual are used to show the basic principles of operation and work procedures.  
They may not represent the actual vehicle exactly in detail.
- This manual is intended for those who have enough knowledge and skills for servicing SUZUKI vehicles. Without such knowledge and skills, you should not attempt servicing by relying on this manual only.  
Instead, please contact your nearby authorized SUZUKI motorcycle dealer.
