Sweetest Revenge Cream Reloaded:

The Sweetest Revenge Kia Roberts, 2015-12-09 Shaunte and Miko were adjusting to life without Delectable Delight. Now that they no longer ran the largest escort service in the world they had a countless amount of time on their hands. They used that time to prepare for parenthood. Shaunte and Miko were equally excited about the baby's birth. Things were really looking up for the couple but for how long. Tiffany on the other hand had more problems than solutions. She was still sitting in a federal prison. The one person who was supposed to have her back betrayed her. Without Trell Tiffany needed to find a way to help herself. She promised herself when she was released she would make Trell regret playing her for a fool. Trell's list of demons was growing by the minute. He felt bad about Tiffany finding out about Lydia. He never meant to deceive Tiffany. His intentions were to use Lydia to help Tiffany get out of prison. Somewhere along the line Trell fell for Lydia. Trell didn't know who was behind Tiffany finding out about his extracurricular activities but he vowed to make the person pay. Barrington and Bianca made the move to Miami. Barrington was excited about the two of them getting a fresh start. After the Darryl fiasco Barrington pledged to change his ways. He did as he promised but Bianca still harbored resentment towards him. She didn't love him the same anymore. Her only real reason for sticking it out was her children. She was beginning to feel like that wasn't enough anymore. She wanted out. Between their good and bad times everyone made the best of their personal situations. They all put on fake smiles with each other when needed. Over time the lies, secrets, backstabbing and treachery made it hard to trust. Self preservation was now a necessity. It was kill or be killed. In the end who would truly have the sweetest revenge.

On the night of her wedding not only does she learn she is modern day slaver Don Donovan's daughter but her beloved stepsister has been murdered by his blood, leaving a son behind. Selena knows she must take the Donovan family, her family, down if she wants to keep Drake and her nephew alive. Drake Carpoli is on leave from the Agency until he can refocus on the mission instead of his revenge against the Donovans for killing his brother. He hadn't planned on falling in love with Selena. It isn't until she disappears that he learns she is a member of the family he has vowed vengeance on. When he finds Selena in the midst of the Donovans fighting for her life he will do whatever it takes to reclaim her even if he is not sure on what side her loyalty lies. But first he needs to get her out alive. Sensuality Level Sensual. Kay Rogal is the author of romantic suspense, paranormal romance and women's fiction.
