**House Party** Larry Archer, 2023-09-17 House Party an 85 000 word novel about an innocent house party that goes wrong or extremely right depending on which side of the story you're on Foxy and Larry attend a house party where Foxy falls for the husband of a couple from Los Angeles. She runs off leaving her husband to deal with the man's wife as well as their live in girlfriend and becomes immersed in the pornographic movie business as an upcoming actress. Fans of Foxy know that she is a bi sexual exhibitionist who likes to live on the edge and has always led a protected existence sheltered by her husband who picks up after her. Moving to LA she quickly tires of Russell and moves in with a houseful of people who work in the porn industry. Foxy on her own for the first time in her life runs amok and is either staring in porn movies hopping from bed to bed or walking naked at the nude beach. For all her messing around Foxy worries about her husband and asks a woman he previously had an affair with to watch over him. Sherry an up and coming television news reporter is physically the opposite of Foxy. She's over six foot, busty and gasp a blonde. Larry's normal go to girl is either a brunette or a redhead but Sherry is quickly able to overcome that hurdle and moves in with Larry and Chrissy. Their live in. For fans of Foxy and Larry swinger stories this novel length story should not disappoint. Virtually every page includes an explicit sex scene to keep the reader entertained. The story is still ranked as HEA Happily Ever After even though Foxy leaves her husband her replacement quickly takes over. As always Larry Archer's stories weave non stop sex along with a plot line to keep you both aroused and entertained.

*A College Girl* George de Horne Mrs. Vaizey, 2019-12-12 In *A College Girl* George de Horne Mrs. Vaizey presents a vivid exploration of feminine identity and the academic experience at the turn of the 20th century. The novel is characterized by its rich descriptive prose and an immersive narrative that fosters an intimate connection with the protagonist. Through the lens of a young woman's college life, Vaizey delves into themes of friendship, ambition, and societal expectations reflective of the burgeoning changes in women's education during this era. The literary context positions this work within the growing conversation about women's roles in higher education, offering both critique and celebration of the academic spirit. George de Horne Mrs. Vaizey, a notable figure in Victorian and Edwardian literature, was ahead of her time in advocating for women's rights and education. With her background in both literature and social commentary, she penned this novel not merely as entertainment but as a reflection of her own beliefs regarding the importance of education for women. Her personal experiences as an educated woman amplify the authenticity of her characters, inviting discourse on the societal barriers faced by women of her generation. I highly recommend *A College Girl* to readers interested in early feminist literature and the historical context of women's education. Vaizey's masterful storytelling, rich character development, and social critique provide an engaging yet thought-provoking experience, making this work essential for anyone exploring the evolution of women's roles in academia.
