**Sylvania, Lucas County, Ohio;** Gayleen Gindy, 2014-04-10 Join the author in reliving Sylvania's over 180 years of history from footpaths to expressways and beyond in volume four of an eight volume set With 30 years of research she has included every subject imaginable that helped bring Sylvania to where they are today with excellent schools over the top parks and recreation rich beautiful homes commercial and industrial businesses and a quaint historical downtown that looks like it was planned by Norman Rockwell himself This book is a treasure trove of information for the thousands who have ancestors that once lived and helped Sylvania grow through these years Located in northwestern Ohio Sylvania is a suburb of Toledo Ohio and for many years has been known as the fastest growing suburb in Lucas County A once rural farm community between both the city and township they have grown from a combined 2 220 residents in 1910 to 48 487 in 2010 Over a short period of time the land has transformed into beautiful subdivisions of grand houses so that now their subdivision names are all that remain to remind them of their once dense forests and sprawling farmlands No longer can Sylvania be called the bedroom community of Toledo because over the last 50 years they have done a lot more than sleep
