Learn how to make calls and play songs by voice control, take great photos, keep track of your schedule, and much more with complete step-by-step instructions and crystal-clear explanations by iPhone master David Pogue. Whether you have a brand-new iPhone or want to update an earlier model with the iPhone 4.0 software, this beautiful full-color book is the best, most objective resource available. Use it as a phone, learn the basics as well as time-saving tricks and tips for contact searching, texting, and more. Treat it as an iPod master, the ins and outs of iTunes, and listen to music, upload and view photos, and fill the iPhone with TV shows and movies. Take the iPhone online, make the most of your online experience, to browse the Web, read and compose email, use social networks, or send photos and audio files. Go beyond the iPhone, learn how to use the App Store and how to multitask between your apps, organize them in folders, and read eBooks in iBooks. Unlock the full potential of your iPhone with the book that should have been in the box **Dynamics of Meteor Outbursts and Satellite Mitigation Strategies** Glenn E. Peterson, 1999 The potential threat posed by Leonid meteoroids to orbiting spacecraft over the next several years calls for new dynamic mitigation strategies to assist the satellite community in reducing the danger to its vehicles. This book offers deliberate dynamic mitigation strategies to complement the traditional shielding strategies, providing mission operators additional ways to decrease the danger. Five different attitude control and orbit maneuvering options are examined in detail. The information is presented in algorithmic form to allow technically competent but meteoroid inexperienced operators to easily understand the phenomena, assess the danger, and implement procedures. Although general in scope, the book emphasizes the Leonid meteor events of the 1998-2002 timeframe. **PC Mag**, 2008-05 PCMag.com is a leading authority on technology, delivering Labs based independent reviews of the latest products and services.
