Top Movies How To:

A Conservative Christian Reviews the Greatest Movies Ever Made George McManus, 2003-07 *Classic Movies The Best and the Worst Pictures to see! Films to avoid!* John Howard Reid, 2015-03-03 Gathered in this large volume paperback are some of Hollywood's best loved and most famous movies. In addition to the many film classics however the author has included a number of equally entertaining films that deserve to be better known. Many of these movies are now available on DVD. Full credits and detailed reviews are provided for over a hundred of these classic films. Over two hundred more movies are represented by short reviews. Many of the reviews contain DVD details. Of course not all classic movies have surfaced on DVD to date but they are being issued at the rate of around forty a month. If you love classic movies this book will provide an invaluable guide to some of the enjoyable films that are now available and also of course some of the disappointing films that you might wisely avoid. *The Encyclopedia of Best Films* Jay Robert Nash, 2019-10-23 This all inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece and yes author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis each film's entry also includes a listing of the cast as well as the key principles involved in production from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying Nash objectively evaluates each film and confers upon it one of four recommendations for viewing: recommended, acceptable, cautionary and unacceptable. Backmatter includes a list of top films by genre: i.e. animated, drama, sports, mystery, adventure etc as well as an annotated name index listing all persons mentioned along with their dates of birth and death. Rounding out this essential volume for the film buff are over 500 still photos from the author's private collection. **The New York Times Guide to the Best 1,000 Movies Ever Made** Peter M. Nichols, 2004-02-21 From the film critics of The New York Times come these uncut original reviews of the most popular and influential movies ever made from the Talkies to blockbuster megahits like *Chicago* and *The Wizard of Oz* from timeless classics like *Casablanca* and *Notorious* to beloved foreign films by Truffaut and Kurosawa, Fellini and Almodovar. The reviews eloquent, incisive and intuitive reflect Hollywood history at its best. Must have reading for movie lovers or students. In addition this essential volume includes full cast and production credits for every movie. The 10 Best lists for every year from 1931 to the present. An index of films by genre and an index of foreign films by country of origin. This edition is thoroughly updated to include all the important movies of the past several years as well as a new introduction by a Times film critic. A.O.
