Understanding Depression Strategic Pastoral:

Understanding Depression Siang-Yang Tan, John Ortberg, 1995 Christians tend to be wary of sharing their feelings. What helps is a supportive environment in which the person can share pain. **Understanding Depression** stresses the unique burden bearing help a pastor counselor can provide. The authors carefully guide the counselor to identify what can and cannot be accomplished in a short term approach. **Strategic Pastoral Counseling** David G. Benner, 2003-09-01 Therapeutic counseling in a Christian context can be highly effective when it maintains narrowly focused goals in a time limited setting. The details of this proven model of pastoral counseling are described in this practical guide. This second edition of **Strategic Pastoral Counseling** has been thoroughly revised and includes two new chapters. Benner includes helpful case studies, a new appendix on contemporary ethical issues and updated chapter bibliographies. His study will continue to serve clergy and students well as a valued practical handbook on pastoral care and counseling. **Understanding and Facilitating Forgiveness** (J) Robert W. Harvey, David G. Benner, 1996-09-01 This practical book helps pastors and counselors present God's grace in healing and forgiveness issues even when the one being counseled has built a wall around his or her heart out of bitterness or pain. **Caring for People God's Way** Tim Clinton, 2009-09-21 **Caring for People God's Way** presents Christian counseling in a systematic step by step manner that outlines the process as practically as possible. It then applies the process to the most common issues faced by Christian counselors: personal and emotional issues, trauma, grief, loss and suicide. **The Resource Guide for Christian Counselors** Douglas R. Flather, 1995 This referral directory gives the user immediate access to essential up to date Christian counseling resources. It is organized alphabetically under 46 general topics that encompass counseling issues, professional issues and educational issues. **Tu Van Muc Vu Co Chien Luoc** David G. Written by a leading psychologist and seminary professor who has served as a pastor for more than two decades, the book covers twelve major areas of pastoral ministry, highlights the essential work of the Holy Spirit and focuses on the personal and family life of the pastor. It includes cross cultural perspectives of special interest in our diverse world and a foreword by John Ortberg.

Subject Guide to Books in Print, 1991 *Military Chaplains' Review*, 1981 **Overcoming the Blues** Ryan Noel Fraser, 2019-09-03 Nobody is immune to depression, not even the most faithful and dedicated Christians. Finding the strength

to effectively cope with ongoing depression in one's life may seem like an insurmountable personal and faith challenge for many followers of Jesus. You may feel like you're useless, unworthy of joy, and a complete spiritual failure. While a number of books have been written on depression from a psychological perspective, *Overcoming the Blues* addresses spiritual concerns to provide hope and comfort for the faithful. As a counseling professor, minister, and licensed clinical pastoral therapist, Dr. Ryan Noel Fraser has recognized the ubiquity of depression among believers as well as the overwhelming need for capable caregivers within the church. His revolutionary how-to guide offers practical guidance and holistic methods to relieve the distressing symptoms of depression in three Christ-centered ways: 1. Recognize God's abiding presence; 2. Reach out to others; 2. Corinthians 1:3-5; 3. Respect your limitations. This book seeks to motivate, mentor, and mobilize sufferers of depression in the church to see that serving is so much more than merely a short-lived distraction from your own suffering; it can be a powerful and restorative antidote, a transformative way of life that facilitates healing and hope.

Coping

with Depression Siang-Yang Tan, John Carl Ortberg, Jr., 2004-09-01. Nineteen million Americans suffer from depression each year. It can strike anyone, and being a Christian does not exempt you. But help is here. Understanding the ABCs of emotional life: Affect, Behavior, and Cognition, can shed light on the causes of depression. In this revised and updated edition of *Coping with Depression*, the authors look carefully at the ABCs, showing how your thoughts affect the way you feel and describing how each dimension is linked with depression. They balance the spiritual dimension of approaching depression with the most recent scientific research and offer highly practical and proven strategies for coping. If you suffer from depression or know someone who does, you will find encouragement and help in this reassuring book. Tan and Ortberg educate and edify. They build on state-of-the-science understanding, state-of-the-treatment tips from therapy, and state-of-the-spirit nurture of the whole person. The result: an educational and uplifting book to guide people out of depression.

Everett L. Worthington Jr., Ph.D., chair of psychology, Virginia Commonwealth University. *Coping with Depression* is a spiritually sensitive, scientifically informed, and highly practical resource for people struggling with depression and those who would seek to understand and help them. Stanton L. Jones, Ph.D., provost, Wheaton College. Siang Yang Tan, Ph.D., McGill University, is a graduate professor of psychology at Fuller Theological Seminary. He also serves as senior pastor of First Evangelical Church of Glendale. John Ortberg, M.Div., Ph.D., Fuller Theological Seminary, is a pastor at Menlo Park Presbyterian Church and author of *If You Want to Walk on Water, You've Got to Get Out of the Boat* and *Everybody's Normal Till You Get to Know Them*.
