## **Understanding Style Practical Ways To Improve Your Writing:**

**Understanding Style** Joe Glaser, 1999 An ideal text for courses in advanced composition Understanding Style uncovers some of the inherent mystery of style and explains how to craft good sentences and combine them into writing that is clear and readable While similar books often fail to address the relationship between written style and spoken voices or to discuss the ways that writers control rhythm and emphasis precisely the kind of issues that give style its reputation as a difficult topic this unique book adapts the findings of modern linguistic research into detailed writing advice seldom found elsewhere

**Understanding Style** Joseph Glaser, 2010 An ideal text for courses in advanced composition Understanding Style uncovers some of the inherent mystery of style and explains how to craft good sentences and combine them into writing that is clear and readable This unique book adapts the findings of modern linguistic research into detailed writing advice seldom found elsewhere Though it emphasizes the sound of the written voice throughout the text also covers diction coherence and sentence variety Joe Glaser includes numerous open ended exercises drawn from such areas as business history and popular science to encourage students to practice as they learn Each chapter concludes with a boxed summary for quick reference and a Your Writing prompt asking students to apply these principles directly to their own work Appendices include a glossary of writing terms a brief dictionary of usage a guide to punctuation and a detailed index The Second Edition brings the text up to date and emphasizes recent advances in word processing and the Internet The author also plans to update references throughout and include online resources The new edition will also include a new chapter which discusses the basic distinction between the complete subjects of sentences from their predicates In addition the author has updated the downloadable exercises useful writing links and other tips found on his personal website *The Basics of Public Budgeting and Financial Management* Charles E. Menifield, 2017-08-02 Menifield s budgeting and finance book firmly connects budgetary theory and practice It provides instructors a standalone book that covers all of the major thematic areas expected of a book of this type

**Setting the Style** Valerie Bodden, 2008-07 Explains the difference between literary and direct styles and the importance of tone in fiction writing

**The Canterbury Tales in Modern Verse** Geoffrey Chaucer, 2005-03-15 Readers of this witty and fluent new translation of The Canterbury Tales should find themselves turning page after page by recasting Chaucer s ten syllable couplets into eight syllable lines Joseph Glaser achieves a lighter more rapid cadence than other translators a four beat rhythm well established in the English poetic tradition up to Chaucer s time Glaser s shortened lines make compelling reading and mirror the elegance and variety of Chaucer s verse to a degree rarely met by translations that copy Chaucer beat for beat Moreover this translation s full Chaucerian range of diction from earthy to Latinate conveys the great scope of Chaucer s interests and effects The selection features complete translations of the majority of the stories including all of the more familiar tales and narrative links along with abridgments or summaries of the others To reflect Chaucer s interest in poetic technique Glaser presents the tales written in non couplet stanzas in their
