Break the Alabaster Box Pedro F. Patrick, 2014-07-28 Every church ministry is driven by something. In this lively and refreshing book, Pedro Patrick unfurls the profound beauty of unction and shows that the Bible brightens everything. Anointing is the driving force behind all successful ministries. The pages of this book discuss this subject and boldly explain why the Christian world is not enjoying the anointing. Break the Alabaster Box stresses the missing nectar of life: the Holy Spirit in our personal lives. The author teaches of unction with all force and clarity. Pedro Patrick offers to the hearts of readers an explanation of what unction is all about. The unction that he receives provides the framework for the action of this book. He points out that anointing is a part of our Christian spiritual character; without it, no one can be equipped to take action against demons in the same way that Jesus himself did. Deliverance from evil spirits is the one evidence that shows the world that the kingdom of God has come and anointing seals that evidence. Understanding the Anointing George Mfula, Understanding the Anointing is a must-read book. The first thing Jesus declared when He started ministry was that the Spirit of God was upon Him. He went further to say that the same Spirit of God anointed Him to preach the gospel to the poor, to heal the brokenhearted and to preach deliverance to the captives. It was such an enormous assignment and it was only possible by the anointing that came upon His life. The anointing is not a philosophical, theological, or psychological idea but the Holy Spirit and His presence in manifestation. In this book, we will look deeply at the anointing for our spiritual enlightenment and empowerment. We live in a dispensation of time where evil is escalating. It is a perilous time because evil has now become good and good has become evil. Isaiah 5:20. Hence the need for you and me to walk in the anointing of God. However, it is impossible to walk in the anointing of the Holy Spirit without a sufficient understanding of what it is. With spiritual understanding comes spiritual empowerment and elevation. Even before we talk about the anointing, we must understand what it is with the help of the Holy Spirit. Some Christians don't care whether they understand it. Get this book. You will scale greater heights of wisdom, understanding, knowledge, and spiritual growth in Christ Jesus. *Flowing in the*
