# Understanding White Collar Crime

**Petter Gottschalk**

## **Understanding White Collar Crime:**

*Understanding White Collar Crime* Croall, Hazell, 2001-06-01 This book introduces the concept of white collar crime which is popularly associated with high status and powerful offenders and takes place within working environments It includes the study of corporate crime It looks at a variety of forms of white collar crime such as fraud corruption employment consumer safety and environmental crime      *Understanding White-Collar Crime* Michael L. Benson, Sally S.

Simpson, 2014-11-20 Unlike other books of its kind *Understanding White Collar Crime An Opportunity Perspective* uses a coherent theoretical perspective in its coverage of white collar crime Using opportunity perspective or the assumption that all crimes depend on offenders having some sort of opportunity to commit an offense allows the authors to uncover the processes leading up to white collar crimes and offer potential solutions to this rampant issue without being reductive in their treatment of the topic With this second edition Benson and Simpson have greatly expanded their coverage to include new case studies substantive materials and an annotated appendix of online resources to make this a core book for courses on white collar crime

***Understanding White-Collar Crime*** Michael L. Benson, Sally S. Simpson, 2014-11-20 Unlike other books of its kind *Understanding White Collar Crime An Opportunity Perspective* uses a coherent theoretical perspective in its coverage of white collar crime Using opportunity perspective or the assumption that all crimes depend on offenders having some sort of opportunity to commit an offense allows the authors to uncover the processes leading up to white collar crimes and offer potential solutions to this rampant issue without being reductive in their treatment of the topic With this second edition Benson and Simpson have greatly expanded their coverage to include new case studies substantive materials and an annotated appendix of online resources to make this a core book for courses on white collar crime      ***The Criminal Elite***

James William Coleman, 1998 A riveting exploration of white collar crime James Coleman's *The Criminal Elite* challenges students to examine the full dimensions of one of the greatest social problems of our time Integrating a large body of new research statistics laws and examples the fourth edition offers updated coverage of political violence consumer fraud and controversies in the tobacco industry structuralist theory that broadens the discussion of current law and a new definition of white collar crime to reflect the scholarly debate at the National White Collar Crime Center Flexible and class proven *The Criminal Elite* is the ideal companion for introduction to sociology classes or as a primary text for advanced sociology courses

***Understanding White Collar Crime*** J. Kelly Strader, 2002      *Understanding White-Collar Crime* Petter Gottschalk, 2016-09-19 *Understanding White Collar Crime* develops the concept of convenience as the main explanation for crime occurrence Examining all three dimensions of crime economic organizational and behavioral the book argues that when white collar crime becomes less convenient crime rates will go down By applying convenience theory to an empirical sample of convicted white collar criminals the text teaches criminal justice students and ethics and compliance practitioners to identify and understand how opportunity affects real world criminal situations Internal investigations of white collar crime

are discussed and corporate social responsibility against white collar crime is emphasized Understanding White Collar Crime A Convenience Perspective examines not only the theories behind white collar crime but also explores methods used in criminal justice investigations into corporate fraud and emphasizes the importance of corporate social responsibility in reducing crimes of this nature Criminal justice students and practitioners should not miss this close look into the world of white collar crime You Just Got Cheated! Sibichen K. Mathew,2020 Most of us have become victims of frauds and related crimes at some point or other in our life We may not have answers to pertinent questions related to the cheating we were subjected to such as Who is responsible for the fraud committed on us What makes us vulnerable to cheating Who could have prevented the crime What could we do to prevent the crime in future and What action should we take to recover the losses In this book we examine above questions by briefly analyzing various types of white collar crimes drawing examples of such crimes that have happened across the world History reveals that crimes travel across the globe in time as criminals learn from each other for their criminal indulgences We hear about a crime elsewhere in a different city or a country and within no time you find the same thing happening with necessary improvisation and sophistication in our own neighborhood The focus as mentioned earlier is on the victims of such crimes Through the analysis of various WCCs detailed in the subsequent chapters we would be able to gain some insights into the why how and what of the WCCs from the perspective of victimology

Introduction to Corporate and White-Collar Crime Frank J. DiMarino,Cliff Roberson,2013-05-21 White collar crime costs the United States more than 300 billion each year It is surprisingly common with one in every three Americans eventually becoming a victim The criminals often dismiss these crimes as victimless but those unfortunate enough to fall prey would disagree An Introduction to Corporate and White Collar Crime provides readers with an understanding of what white collar crime is how it works and the extent to which it exists in our society The broad based coverage in this text analyzes the opportunity structures for committing white collar crime and explores new ways of thinking about how to control it Topics include Theories behind white collar crime including social and psychological theories Routine activity crime pattern and situational crime prevention theories Laws that govern the securities industries including the Securities Exchange Act and Sarbanes Oxley Bank fraud money laundering racketeering and organized crime Crimes involving public officials and obstruction of justice Control and prevention of white collar crimes and sanctions for white collar criminals The material is organized and presented in a logical fashion with each chapter building from the previous content Every chapter begins with objectives to help readers focus on the topic and concludes with review questions to test assimilation of the material and promote debate Several chapters conclude with a practicum to facilitate real world understanding of the material

**Explaining White-Collar Crime** Petter Gottschalk,2016-10-27 This book introduces convenience as the key concept to explain financial crime by white collar criminals Based on a number of fraud examination reports from the United States and Norway the book documents empirical evidence of convenience among white collar criminals It advances our understanding

of white collar crime by drawing attention to private investigation reports by fraud examiners and financial crime specialists who are in the growing business of fraud investigations Reports of investigations have never before been researched in terms of white collar criminals nor crime convenience Reports of investigations by auditing and law firms represent a valuable empirical basis in addition to court documents and other sources of information about financial crime A methodical and well researched study this book will be of particular interest to scholars of criminological theory and law in addition to ethics courses in business schools White-Collar Crime Brian K. Payne,2011-11-04 White Collar Crime A Text Reader

incorporates contemporary and classic readings some including policy implications accompanied by original text that provides a theoretical framework and context for students This comprehensive book covers topics including crimes by workers in sales oriented systems crimes in the health care system crimes by criminal justice professionals and politicians crimes in the educational system crimes in the economic and technological systems crimes by employees in the housing industry corporate crime environmental crime explanations of white collar crime and the police and court responses to white collar crime **Myths and Misunderstandings in White-Collar Crime** Miriam H. Baer,2023-08-10 Myths and Misunderstandings in White Collar Crime uses real world examples to explore the pathologies that hamper our ability to understand and redress white collar crime The book argues that misinterpretations about federal white collar crime impede its lawmaking enforcement and discourse leading it to be overcriminalized and underenforced Many of these pathologies can be traced to the federal code s failure to subdivide white collar crimes by degrees of severity and by the legislature s outsourcing of criminal lawmaking to other institutions With deep knowledge of the federal code and theories of institutional design and behavioral psychology at her disposal Miriam Baer offers a step by step framework for redressing these problems by paying greater attention to how we write frame and lay out our federal criminal code A clearer subdivided criminal code she argues paves the way for more informed and productive deliberation and fewer myths and misunderstandings

Corporate and White Collar Crime John Minkes,Leonard Minkes,2008-06-24 This timely collection contains contemporary case studies and critical analyses by leading writers in the study of white collar corporate crime It makes an invaluable contribution to the criminology of the corporation Professor Hazel Croall Glasgow Caledonian University Corporate and White Collar Crime is an essential overview of this diverse subject area and encourages students to develop a broad understanding of the topic Aimed primarily at undergraduate and postgraduate students in Criminology Criminal Justice and Business and Management Studies the book will cross over into many other disciplines including Law and Social Policy This is an innovative and multidisciplinary analysis of corporate and white collar crime that is both theoretically and empirically rich The text serves as a poignant reminder why research involving the powerful must be a central part of criminological inquiry and why this book is essential reading Professor Reece Walters The Open University Again and again pension funds are pillaged investors fleeced commuters killed workers maimed and communities poisoned Why is it that so few of these

acts are defined as crimes and why is it that even when they are prosecuted is so rarely effective Corporate Crime and White Collar Crime addresses these very questions through its rigorous well developed analysis and its wide ranging empirical focus on Europe North America Asia and beyond The book can help all of us to re examine our understanding of the nature of crime and of criminals and to reassess the costs as well as the benefits of our current economic political and social order Professor Frank Pearce Queen s University Canada

The Criminology of White-Collar Crime Sally S. Simpson, David Weisburd, 2008-12-16 The book will synthesize and integrate better what are often disparate ideas themes and methods across substantive areas of white collar crime and criminology and criminal justice The book also puts together critical and emerging topics within criminology and criminal justice that have important implications for the study of white collar crime and criminology criminal justice more generally

The Criminology of White-Collar Crime Sally S. Simpson, David Weisburd, 2010-09-30 The book will synthesize and integrate better what are often disparate ideas themes and methods across substantive areas of white collar crime and criminology and criminal justice The book also puts together critical and emerging topics within criminology and criminal justice that have important implications for the study of white collar crime and criminology criminal justice more generally

**The Oxford Handbook of White-Collar Crime** Shanna R. Van Slyke, Michael L. Benson, Francis T. Cullen, 2016-03-01 Although white collar crime has caused a substantial amount of damage on both the individual and societal levels it often ranks below street crime as a matter of public concern Thus white collar crime remains an ambiguous and even controversial topic among academics with a relative dearth of scholarly focus on the issue The Oxford Handbook of White Collar Crime offers a comprehensive treatment of the most up to date theories and research regarding white collar crime Contributors tackle a vast range of topics including the impact of white collar crime the contexts in which white collar crime occurs current crime policies and debates and examinations of the criminals themselves The volume concludes with a set of essays that discuss potential responses for controlling white collar crime as well as promising new avenues for future research Uniting conceptual theories empirical research and ethnographic data the Handbook provides the first unified analytic framework on white collar crime Given the astronomical aggregate losses to victims building a more nuanced understanding of the dynamics of white collar crime is a topic of immediate social concern The definitive resource on white collar crime this Handbook will be a valuable resource for developing both intellectual and policy related solutions

**Policing White-Collar Crime** Petter Gottschalk, 2013-12-11 Combating white collar crime is a challenge as these criminals are found among the most powerful members of society including politicians business executives and government officials While there are many approaches to understanding this topic Policing White Collar Crime Characteristics of White Collar Criminals highlights the importance of po

**The Convenience of White-Collar Crime in Business** Petter Gottschalk, 2020-01-17 This book outlines the theory of convenience for white collar crime to explain what motivates and enables offenders providing a unique focus on white collar crime in the business context The theory of

convenience suggests that the extent to which elite members commit and conceal economic crime is dependent on their extent of orientation towards convenience in problematic and attractive situations Chapters are organized along the main theoretical dimensions of economical motive organizational opportunity and personal willingness In addition this book Addresses a business audience by focusing on themes familiar to corporations Documents attitudes towards white collar crime among business students and future business leaders Analyzes how convenience orientation varies among individuals Analyzes autobiographies of convicted white collar offenders Demonstrates the various ways in which white collar crime occurs The Convenience of White Collar Crime in Business contributes to an increased understanding of white collar crime offering valuable insight in business education that supplements the traditional roles of topics like auditing and compliance in education and practice It is a useful resource for researchers and law enforcement and those involved in the detection prosecution and conviction of white collar offenders

*White-collar Criminal* Rensselaer Lee, 2017-09-08 In his presidential address to the American Sociological Society more than a quarter of a century ago Edwin H Sutherland advanced the idea that crime was being perpetrated by members of society that were considered normal affluent and well adjusted This notion of a new criminal class played havoc with the traditional theories of crime causation and directed considerable research away from the criminal at war with society to the criminal nestled snugly in society's lap Since then the concept of white collar crime has become even more important for the understanding not only of criminal behavior but of the total social and moral structure of American society as well White Collar Criminal brings together for the first time since the concept was enunciated the major classic and contemporary writings in this rapidly expanding area of investigation The book provides a provocative array of studies of the crimes committed on the upper echelons of American life embezzlement business theft consumer fraud antitrust violations and many others as well as the most significant theoretical writings on the subject The book is both absorbing and intellectually challenging Teachers seeking to give their students an understanding of this basic segment of criminological thought and research will find this volume a unique combination of empirical data and theoretical analysis in highly readable form Gilbert Geis is currently professor emeritus in the department of Criminology Law and Society at the University of California Irvine He has been project director on grants from the National Institute of Mental Health and the Walter E Meyer Research Institute of Law and research director of an Office of Economic Opportunity program employing former narcotic addicts in street work with addicts and as classroom assistants in junior high schools Geis has served as chairman of the section on Crime and Delinquency of the Society for the Study of Social Problems and as secretary treasurer of the criminology section of the American Sociological Association He has been a consultant to the President's Commission on Law Enforcement and Administration of Justice in this capacity he was responsible for draft statements on white collar crime and on compensation to victims of violent crime

**The Criminology of White-Collar Crime** Sally S. Simpson, David Weisburd, 2008-12-16 The book will synthesize and integrate better what are often disparate

ideas themes and methods across substantive areas of white collar crime and criminology and criminal justice The book also puts together critical and emerging topics within criminology and criminal justice that have important implications for the study of white collar crime and criminology criminal justice more generally     **White-collar Crime Research** Sven-Åke Lindgren,2001

### **Understanding White Collar Crime Introduction**

In today's digital age, the availability of Understanding White Collar Crime books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Understanding White Collar Crime books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Understanding White Collar Crime books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Understanding White Collar Crime versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Understanding White Collar Crime books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Understanding White Collar Crime books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Understanding White Collar Crime books and manuals is Open Library.

Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Understanding White Collar Crime books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Understanding White Collar Crime books and manuals for download and embark on your journey of knowledge?

### **FAQs About Understanding White Collar Crime Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Understanding White Collar Crime is one of the best book in our library for free trial. We provide copy of Understanding White Collar Crime in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Understanding White Collar Crime. Where to download Understanding White Collar Crime online for free? Are you looking for Understanding White Collar Crime

PDF? This is definitely going to save you time and cash in something you should think about.
