**Found: Money vs. Riches** Roger Lam, 2018-06-05 Roger Lam was faced with a real money problem at a very young age when his birthright the family business was snatched away from him and he developed a secret distrust of parental provision since the age of 14 Money became his biggest hang up and slave driver and the childhood financial trauma triggered a quest for worldly success academically and then in the field of finance fueled by fear and anger for the better part of two decades until he got a divine wake up call In *Lost and Found Money vs Riches* Roger Lam shares his counterintuitive God orchestrated journey of setting free from the slavery to money by following the countercultural Biblical teachings on wealth and possessions Along the way he had to repeatedly confront and overcome his underdog mindset which was a byproduct of his sense of insecurity Some of the stories are nothing short of supernatural Without a doubt Roger Lam has suffered monetary losses in his lifetime but what he found instead over the course of his journey is of infinite and eternal value By telling his story with great transparency and vulnerability the life lessons that can be extracted from each chapter are potentially transformative and redemptive to our world which has been blinded to awareness of the real truth of provision

Money, Wealth and Riches Stephen Adu-Boahen, 2020-10-17 Money wealth and riches are some of the most controversial topics among Christians To say something is controversial means whenever and wherever it is mentioned because opinions on it differ it brings or causes disagreements and sometimes generates heated arguments and discussions before it is settled Money wealth and riches sometimes bring controversy among Christians whenever and wherever they are mentioned because while some believe they are God given and good others believe based on the misinterpretation and misunderstanding of some scriptures that they are bad and evil and must be avoided by all truly spiritual Christians who want to go to heaven It is to take Christians out of this dilemma that this book has been written to establish the truth 1 That our God is the giver of all our money wealth and riches 2 That such riches must be accepted from Him without any fear 3 That it is possible to receive such wealth and riches from Him and still be able to walk with Him stay with Him finish with Him and go to Heaven as people like Abraham Job Isaac and David did 4 That passages like Matthew 19 24 and several others like it scattered throughout the scriptures are only meant to show us some of the dangers and temptations connected with wealth and riches as similar temptations and trials go with every other human activity in God s created world 5 That the purpose of such warning passages on money wealth and riches is not to frighten us but to alert us to at least ten of these dangers and temptations so that we can know them move away from them and rely on the Holy Spirit to help us overcome them totally to enable us stand for God as men like Job Abraham Isaac and David did no matter the

quantum of riches wealth and money with which God blesses us 6 That all these warning passages in the Bible put together throw light prominently on ten of these dangers and temptations as being 1 The temptation to forget God 2 The temptation to Greed 3 The temptation to covetousness 4 The temptation to worldliness 5 The temptation to pride and arrogance 6 The temptation to cheating and exploitation 7 The temptation to Apostasy 8 The temptation to trust in riches more than God 9 The temptation to become stingy 10 The temptation to hoard God given money wealth and riches May all our doubts about money riches and God given wealth be cleared after going through this book AMEN Now read on      **The Root of Riches** Chuck Bentley,2011      **Money Secrets of the Rich** John R. Paul Stevens,Clive Lim,2021-01-26 A guide to investing in heaven and being rich toward God Christians often hesitate to talk about money in spiritual contexts but in the gospels Jesus talks more about money than about religious topics like prayer and heaven Money Matters advocates following Jesus s lead in engaging with matters of economy and finance in a faith driven way in both our individual and our corporate lives The authors draw on their contrasting life experiences to offer a well rounded look at money in the twenty first century Paul Stevens who grew up well off in Canada and worked as a carpenter a banker and later a pastor and professor of theology finds a complementary voice in Clive Lim who grew up without money in Singapore and now works there as an entrepreneur and head of a family investment firm With frequent scriptural references Stevens and Lim offer insight into navigating the economic systems of today aiming to help individuals churches and societies become faithful stewards who store up treasures in heaven by investing in the kingdom of God Money Matters is a comprehensive yet accessible guide to integrating one s faith with one s approach to money Just as the Bible variously treats money as a blessing a sacrament and a problem so do Stevens and Lim approach this matter judiciously avoiding the prosperity gospel on one side and the demonization of material wealth on the other Capitalism is treated as what it is a system that has created widespread opportunity and relieved poverty for millions while also exacerbating the gap between the haves and the have nots The authors wisdom is at turns theological historical
