**The Weapon of Prayer** Edward M. Bounds,2015-06-04 Edward McKendree Bounds did not merely pray well that he might write well about prayer He prayed because the needs of the world were upon him He prayed for long years upon subjects which the easy going Christian rarely gives a thought and for objects which men of less thought and faith are always ready to call impossible From his solitary prayer vigils year by year there arose teaching equaled by few men in modern Christian history He wrote transcendently about prayer because he was himself transcendent in its practice As breathing is a physical reality to us so prayer was a reality for Bounds He took the command Pray without ceasing almost as literally as animate nature takes the law of the reflex nervous system which controls our breathing     *The Method and Practice of Autosuggestion* Emile Coue ,C. Harry Brooks,2011-06 Two Classics in One Self Mastery Through Conscious Autosuggestion by Emile Coue PLUS The Practice of Autosuggestion by C Harry Brooks Self Mastery Through Conscious Autosuggestion Emile Coue was a French psychologist and pharmacist who introduced a new method of healing and self improvement using the influence and power of autosuggestion The application of his mantra like conscious autosuggestion Every day in every way I m getting better and better Cou s method focuses on a routine repetition of this particular expression according to a specified ritual in a given physical state and in the absence of any sort of allied mental imagery at the beginning and at the end of each day Self Mastery fully details his method and explains how the concept of auto suggestion works to bring about a desired circumstance Although stressing that he was not primarily a healer but one who taught others to heal themselves Cou claimed to have effected organic changes through autosuggestion The Practice of Autosuggestion by the Method of Emile Coue by C Harry Brooks From the Foreword The method of M Cou is in no sense opposed to the ordinary practice of medicine It is not intended to supplant it but to supplement it It is a new ally bringing valuable reinforcements to the common crusade against disease and unhappiness Induced Autosuggestion does not involve as several hasty critics have assumed an attack upon the Will It simply teaches that during the actual formulation of suggestions that is for a few minutes daily the Will should be quiescent At other times the exercise of the Will is encouraged indeed we are shown how to use it properly that is without friction or waste of energy     **The Weapon of Prayer** Edward McKendree Bounds,1975
