Gamification: Concepts, Methodologies, Tools, and Applications Management Association, Information Resources, 2015-03-31 Serious games provide a unique opportunity to engage students more fully than traditional teaching approaches. Understanding the best way to utilize games and play in an educational setting is imperative for effectual learning in the twenty first century. *Gamification Concepts Methodologies Tools and Applications* investigates the use of games in education both inside and outside of the classroom and how this field once thought to be detrimental to student learning can be used to augment more formal models. This four volume reference work is a premier source for educators, administrators, software designers and all stakeholders in all levels of education. **Getting at the Core of the Common Core with Social Studies** Thomas N. Turner, Jeremiah Clabough, William Cole, 2014-11-14 This volume helps social studies teachers navigate the Common Core State Standards (CCSS). Each chapter reviews relevant standards and significant topics, offering adaptable activities for practical approaches. The diverse authorship provides various perspectives, making it useful for both novice and veteran teachers. **Cool Tech Tools for Lower Tech Teachers** William N. Bender, Laura B. Waller, 2013 Provides instruction and advice for teachers on using technological advancements in the classroom, including wikis, social networking apps, and podcasts, and explains how to use each tool to help engage students and enhance lessons.

Web-Based

Education: Concepts, Methodologies, Tools and Applications Management Association, Information Resources, 2010-02-28 This comprehensive collection offers a compendium of research on the design, implementation, and evaluation of online learning technologies, addressing the challenges and opportunities associated with the creation and management of Web based applications and communities, instructional design, personalized learning environments, and effective educational delivery. Provided by publisher. **Developing Materials for Innovative Teaching and Sustainable Learning** Andrzej Cirocki, Raichle Farrelly, Taylor Sapp, 2024-10-30 This volume features current innovative and effective ways of developing instructional materials for diverse English Language Teaching (ELT) contexts. It is divided into four sections, each featuring pedagogical materials designed for specific groups of learners. The sections focus on materials for general English, ESP, and EAP, CLIL, and ELT teacher education courses. The chapters, written by experienced educators from around the world, are highly practical and detail the process of designing materials for innovative and sustainable language education. The contributors reflect on their own practice, describe the materials design process, explain the guiding principles, and connect the design process with the local context and educational policies. They also offer practical tips to inspire classroom practitioners to create their own materials, promoting innovative teaching and sustainable learning. Ultimately, their chapters aim to encourage a world where teaching involves creativity and adaptability, leading to transformative learning for both teachers and learners.
