Judith A. Cohen, Anthony P. Mannarino, Esther Deblinger, 2012-05-30. The concept for this book grew out of the dramatic growth in the utilization of TF CBT with children of all ages from diverse cultures and settings. The chapters highlight the individual tailoring of TF CBT to optimally serve children's and adolescents' specialized needs. A unifying theme throughout this book is the importance of building and maintaining a positive, trusting, and collaborative therapeutic relationship. In sum, the chapters and the many case examples bring to life the unique aspects of utilizing TF CBT with children at different developmental stages from different cultural backgrounds and in diverse settings in the United States and around the world.
