What The Twilight Says Essays:

What the Twilight Says Derek Walcott, 1998 The first collection of essays by the Nobel Laureate includes Walcott's moving and insightful examinations of the paradoxes of Caribbean culture including his noted Nobel lecture and his reckoning of the work and significance of such poets as Robert Lowell Joseph Brodsky Robert Frost Seamus Heaney and Ted Hughes

Derek Walcott Paula Burnett, 2017-08-08 An important contribution to the study of Walcott's poetry and plays Modernism modernity Walcott Burnett says has assimilated western tradition to his own project using it to create a new plural world of open ended possibilities A book that should be of interest to any student of Walcott's literature Times Higher Education Supplement This ambitious book takes in the full corpus of Walcott plays essays interviews etc as well as the poetry and argues the essential unity of his humanistic vision Wasafiri Burnett is very good on Walcott's aesthetic and technical strategies particularly the mythopoetic framework of his thought and the epic form which he frequently employs New West Indian Guide Convincingly suggests that Walcott's art radiates outward from St Lucia to the West Indies the Caribbean Latin America and the Americas becoming an art that honors and enlarges the English language and its multiple histories and usages World Literature Today

Becoming Home: Diaspora and the Anglophone Transnational Jude V. Nixon, Mariaconcetta Costantini, 2022-03-15 *Becoming Home Diaspora and the Anglophone Transnational* is a collection of essays exploring national identity migration exile colonialism postcolonialism slavery race and gender in the literature of the Anglophone world The volume focuses on the dispersion or scattering of people in exile and how those with an existing homeland and those displaced without a politically recognized sovereign state negotiate displacement and the experience of living at home abroad This group includes expatriate minority communities existing uneasily and nostalgically on the margins of their host country The diaspora becomes an important cultural phenomenon in the formation of national identities and opposing attempts to transcend the idea of nationhood itself on its way to developing new forms of transnationalism Chapters on the literature or national allegories of the diaspora and the transnational explore the diverse and geographically expansive ways in which Anglophone literature by colonized subjects and emigrants negotiates diasporic spaces to create imagined communities or a sense of home Themes explored within these pages include restlessness tensions trauma ambiguities assimilation estrangement myth nostalgia sentimentality homesickness national schizophrenia divided loyalties intellectual capital and geographical interstices Special attention is paid to the complex ways identity is negotiated by immigrants to Anglophone countries writing in English about their home abroad experience The lived experiences of emigrants of the diaspora create a literature rife with tensions concerning identity language and belongingness in the struggle for home Focusing on writers in particular geopolitical spaces the essays in the collection offer an active conversation with leading theorizers of the diaspora and the transnational including Edward Said Bill Ashcroft William Safran Gabriel Sheffer Stuart Hall Homi Bhabha Frantz Fanon and Benedict Anderson This volume cuts across the broad geopolitical space of the

Anglophone world of literature and cultural studies and will appeal to professors scholars graduate and undergraduate students in English comparative literature history ethnic and race studies diaspora studies migration and transnational studies The volume will also be an indispensable aid to public policy experts *Postcolonial Literature* Pramod K. Nayar,2008 *Exile and Return as Poetics of Identity in Contemporary Anglo-Caribbean Literature* Eleonora Natalia Ravizza,2019-11-25 In contemporary Anglo Caribbean literature the dialectic interrelations of exile and return are essential for conveying meta reflections on literature and language as well as the role they play in the construction of personal and collective identities While this volume focuses on the specificity of a cultural area whose history is marked by colonialism diaspora slavery and racial conflicts it also raises epistemological questions surrounding the complexity of literature and its function in a world which is ever more composite hybrid and transcultural By developing a new systematic approach which combines post colonial studies theories of intertextuality and philosophy of language it explores how contemporary literary texts reflect elaborate and redefine the experiences of societies that are currently dealing with ever growing global interdependencies and newly formed cultural and semiotic context *Derek Walcott: The Journeyman Years. Volume 2: Performing Arts* Christopher Balme,Gordon Collier,2013-12-06 During the same period in which Derek Walcott was pouring immense physical emotional and logistical resources into the foundation of a viable first rate West Indian theatre company and continuing to write his inimitable poetry he was also busy writing newspaper reviews chiefly for the Trinidad Guardian His prodigious reviewing activity extended far beyond those areas with which one might most readily associate his interests and convictions As Gordon Rohlehr once presciently observed If one wants to see a quotidian workaday Walcott one should go back to his well over five hundred articles essays and reviews on painting cinema calypso carnival drama and literature articles which reveal a rich various witty and scrupulous intelligence in which generous humour counterpoints acerbity These articles capture the vitality of Caribbean culture and shed additional light on the aesthetic preoccupations expressed in Walcott s essays published in journals The editors have examined the corpus of Walcott s journalistic activity from its beginnings in 1950 to its peak in the early 1970s and have made a generous selection of material from the Guardian along with occasional pieces from such sources as Public Opinion Kingston and The Voice of St Lucia Castries The articles in Volume 2 are organized as follows the performing arts general surveys of anglophone Caribbean drama theatre and society festivals theatre companies and productions British and American drama dance and music theatre Carnival and calypso and cinema screenings in Trinidad Volume 2 additionally contains an exhaustive annotated and cross referenced chronological bibliography of Walcott s journalism up to 1990 The co editor Christopher Balme has written a searching introductory essay on a central theme here a survey of West Indian theatre and Walcott s engagement with it particularly the idea of a National Theatre coupled with an illustrative discussion of the playwright s seminal dramatic spectacle Drums and Colours

Narrative Rewritings and Artistic Praxis in Derek Walcott's Works Mattia Mantellato,2022-08-18 This book focuses on

Derek Walcott's literary and artistic work Western postcolonial critique has depicted the Nobel Prize laureate as one of the greatest poets of the 20th century world. This however devalues his fundamental contribution to the realm of Caribbean theatre and art. The text examines Walcott's multimodal production a combination of West Indian folkloric forms and Western oriented structures and themes by discussing three of his works two plays *The Joker of Seville* and *Pantomime* and a long poem *Tiepolo's Hound*. These epitomise respectively a response to Spanish English and French cultural legacies in the New World as postcolonial re-writings of *Don Juan*, *Robinson Crusoe* and *Camille Pissarro's* stories. Following Quijano and Mignolo's decolonial approaches and Riane Eisler's partnership perspective the book uncovers the strategies used by Walcott to respond to the colonial matrix of power. [Performing Exile, Performing Self](#) Y. Meerzon, 2012-04-05 This book examines the life and art of those contemporary artists who by force or by choice find themselves on other shores. It argues that the exilic challenge enables the migrant artist to re-establish new artistic devices new laws and a new language of communication in both his everyday life and his artistic work. **[My Strangled City and Other Essays](#)** Gordon Rohlehr, 1992 **[Bacon's Essays, with annotations by Richard Whately, D.
