## **When Charity Destroys Dignity:**

*When Charity Destroys Dignity* Glenn Schwartz, 2007      *When Charity Destroys Dignity* Glenn J. Schwartz, 2007 This book is about avoiding or overcoming unhealthy dependency in the Christian movement. It contains a description of the dependency syndrome, its historical development, and how to overcome it. Though unhealthy dependency is widespread, the basic premise of this book is that it does not need to be considered an incurable illness. The reader will be introduced to churches that were once victims of unhealthy dependency but learned how to overcome it. There are many practical illustrations and suggestions for those in Christian service who face the challenge of avoiding or overcoming unhealthy dependency. Other issues dealt with include medical mission institutions, short-term missions, and most significantly, long-term missionary service. Several chapters are a basic introduction to cross-cultural issues for missionaries and church leaders. The author welcomes interaction with those who want to seriously deal with the mentality of dependency in the Christian movement.
