**When Forgiveness Doesn't Make Sense** Robert Jeffress, 2013-07-03 Forgiveness Is Always Difficult and Often Illogical But It's the Only Remedy God Offers to Heal Our Hearts With the experience of more than two decades in the ministry Dr Robert Jeffress has come to the conclusion that forgiveness is the bottom line issue of life Failure to receive God's forgiveness results in eternal hell failure to grant forgiveness to those who have hurt us results in a living hell While most people especially Christians esteem the concept of forgiveness in theory few have mastered what one person has called the art of forgiveness As C S Lewis once said Forgiveness is a beautiful word until you have something to forgive When Forgiveness Doesn't Make Sense is an intensely biblical yet extremely practical approach to this crucial issue Dr Jeffress deals with the major misunderstandings about forgiveness believing you cannot forgive those who never ask for it confusing forgiveness with forgetting or with reconciliation and believing that forgiveness automatically erases the consequences of harmful actions Dr Jeffress explains the process of our forgiveness by God as well as the power of our forgiveness of others Readers will also learn questions to ask themselves before they seek forgiveness from another essentials of an effective apology reasons others may refuse to forgive them action steps for dealing with painful memories a check list to determine whether they have genuinely forgiven another and much more Forgiveness is difficult and often illogical But When Forgiveness Doesn't Make Sense will equip and encourage readers to become more forgiving and to experience God's forgiveness more deeply At some time in our lives we will be hurt deeply by another person It may be a family member who mistreats us a business associate who cheats us a child who rebels against us a friend who betrays us a mate who deserts us or a God who disappoints us While we can't control the hurts that come into our lives we can choose what to do with those hurts We can let them make us bitter or we can release them through forgiveness While forgiveness doesn't always seem to make sense as Dr Robert Jeffress explains in his important new book it is the only way God has given us to effectively resolve the pain of our past More importantly it's the obligation of every Christian When Forgiveness Doesn't Make Sense Robert Jeffress, 2001-04-17 Why do we have difficulty accepting God's unconditional forgiveness And why do we find it so impossible to grant that same forgiveness to others The bottom line issue of life is forgiveness that's the conclusion of Dr Robert Jeffress after more than two decades in Christian ministry and most of us would agree Yet few of us have mastered the art of implementing forgiveness in our lives Combining rich biblical insights with practical real life situations When Forgiveness Doesn't Make Sense effectively answers your burning questions regarding this critical issue giving you not only the why's but also the elusive how's of choosing to forgive Inside A detailed look at the surprising results of the Barna Research Group's specially commissioned national opinion study of Americans views on forgiveness I Choose to Forgive Dianne B. Collard, 2018-08-13 We live in a fallen world where offenses and serious grievances occur in every person's life These painful situations no matter how slight or serious demand that we face the question Does God expect me to forgive The answer is

**Forgive** Deborah McNamer,2013-10 At one time or another everyone experiences a life changing event These events make up part of your history and will forever impact your life Each event changes the way you survive that chapter in life and the way you view yourself and others around you When someone you love is taken from you through a thoughtless act you are confronted with a vital choice to forgive or not to forgive If your loss impacts your entire existence it affects every fiber of your being and the choice to forgive can mean life or death Think about who has forgiven you whom you have forgiven and what those acts of forgiveness did to your heart soul and your very existence We as humans forgive small trespasses against us every day But what about the huge events What if an act that needs to be forgiven and the person who perpetrated it are unthinkable What if someone did something so heinous to you that you would find it impossible or improbable to bestow forgiveness on them Our son Sean was killed by a drunk driver when he was a teenager This tragic event began a life long series of choices to exercise forgiveness for the good of our family the perpetrator and in obedience to what we knew was the right thing to do To stagger under an ongoing burden of grief is too much to endure The results of the carelessness of one person who tragically took the life of our son
