Violence in Dating Relationships Jan E. Stets,1989-05-19 This extremely valuable collection of fourteen chapters is divided into two sections with the first section covering research on physical abuse in dating relationships and the second section covering the issue of sexual abuse in dating relationships With the increasing public awareness of and concern about acquaintance rape this is an excellent and timely book It should be in the library of any researcher who studies violence against women and it would also be an invaluable resource for any college faculty or administrator who seeks to provide a healthy educational environment for all students The Community Psychologist Fourteen significant articles on physical and sexual abuse in dating relationships provide a comprehensive interdisciplinary review of the subject The contributors to this anthology examine every aspect of the serious but usually hidden social problems of dating violence The articles create a theoretical framework for understanding physical and sexual abuse and chronicle the antecedents and consequences of different types of abusive behavior State of the art research on dating violence provides the reader with extensive material Each chapter ends with policy implications and directions for future research Educators researchers and practitioners in sociology criminology psychology psychiatry and women s studies will find valuable information on this important subject The first part of the collection presents statistical information and compares dating violence with cohabitating and marital violence Such subjects as courtship aggression and the effects of gender identity and self esteem on dating violence are explored One study suggests two types of courtship violence predatory violence and relational violence Another addresses patterns in help seeking behavior by those abused The second part of the book deals with sexual aggression in dating relationships Victimization as well as the prevalence risk factors and long term consequences of date rape are presented Other topics include predictors of sexual aggression dating behaviors and their relationship to the risk of date rape and acquaintance rape

Love Addiction Martha R. Bireda, 1990 Love addicts are so obsessed with romance with meeting the expectations of their partners that they completely lose their sense of self and their own legitimate needs. This book is unique because it teaches the skills you need to identify and change the circular illogical and obsessive thoughts that fuel your addiction.

Sexuality Today Gary F. Kelly, 2004 Balances the psychological, biological, physiological and social elements of human sexuality, integrating the research findings and social trends. Presenting various sides of controversial topics in a neutral voice, here students are trusted to weigh the facts with their own ideas and the views of others in a class. *The Alpha Woman Meets Her Match* Sonya Rhodes, Susan Schneider, 2014-04-15 Relationship therapist Sonya Rhodes's liberating, straight talking guide convincingly argues that successful modern women the audience who embraced Lean In can find the right guy without having to change or settle and tells them how to do it. In the twenty first century women are outpacing men in education and career advancement. Yet amazingly successful women constantly hear that their professional achievements doom their chances of marriage and family. Don't believe the alarmist hype advises top relationship therapist Dr. Sonya Rhodes. Today's Alpha women ambitious, self assured and hardworking aren't going to end up lonely spinsters. They don't have to settle for Mr. Good Enough. Echoing Sheryl Sandberg's powerful message, *The Alpha Woman Meets Her Match* shares the secret necessary to triumph in love and work, find the right partner. It can be done and Dr. Rhodes has the tools to help. Going beyond value judgments associated with the terms Alpha and Beta, she advises women to look past the overly competitive, domineering Alpha male for a man who's in touch with his inner Beta qualities someone who is communicative, responsible, thoughtful and collaborative. Demonstrating that most people are a combination of both sets of qualities, she includes a revealing test to help readers define where they and their partners are on the Alpha Beta spectrum. **Intimate Relationships** Sharon Brehm, 2002 *Intimate Relationships* 3rd edition by Sharon S. Brehm, Rowland S. Miller, Daniel Perlman and Susan Campbell preserves the personal appeal of the subject matter and vigorous standards of scholarship that made the earlier editions so successful. Written in a unified voice, this text builds on the reader friendly tone that was established in the first two editions. It presents the key findings on intimate relationships, the major theoretical perspectives and some of the current controversies in the field. Brehm, Miller, Perlman and Campbell illustrate the relevance of close relationship science to readers everyday lives encouraging thought and analysis. Classic contributions to the field are covered in addition to topics on the leading edge of research.
