**When the Chickens Went on Strike** Erica Silverman, 2010-06 One Rosh Hashanah a boy overhears some chickens planning a strike. They are sick of being used for Kapores, the custom practiced at the start of each New Year when people twirl a live chicken over their heads hoping it will erase their bad deeds. The boy needs Kapores to get rid of his bad deeds. When the chickens are found to be missing, the boy tells the villagers where to find them. The women try to coax the chickens back with grain, the men try to get them back with force, and the rabbi tries to negotiate. Finally, the boy steps in to make a final plea. Will he get them to listen to reason or will they have the last word? This amusing story will be enjoyed by anyone who has ever wanted to be a better person. Full color illustrations. *Comrades and Chicken Ranchers* Kenneth Kann, 1993 This book is a portrait of the Petaluma Jewish community from the early years of the century to the present day. Kenneth L. Kann interviewed more than two hundred residents representing three generations of Jewish Americans. The picture that emerges from their testimony is of a wonderfully animated and fractious community. Its history blends many of the familiar themes of American Jewish life into a richly individual tapestry. In the first few decades of this century, many Jewish immigrants from Russia and Eastern Europe wound up in Petaluma. This first generation of chicken farmers consisted largely of educated, often professional men and women, many were drawn to chicken farming as much by Marxist or Zionist beliefs in the dignity of labor as by economic necessity. They helped establish the particular character of a community with its combination of arduous work and cultural aspiration

*Shadows of Slaughterhouse Five* Ervin E. Szpek, Frank J. Idzikowski, 2008 *Shadows of Slaughterhouse Five* chronicles the story of 150 American POWs captured in the Battle of the Bulge and eventually caught up in one of the greatest tragedies of World War II, the firebombing of Dresden. This

collection includes oral histories previously unpublished memoirs and letters from home and from the front that together tell their compelling story in their own words From simple hometown beginnings through the awakenings of military life in basic training from assignment on the supposed quiet zone in Belgium to the unexpected Battle of the Bulge from forced march and entrainment to eventual assignment on work details in Dresden the Florence of the Elbe to the inferno of Dresden on February 13 14 1945 and the gruesome work details to follow the individual and collective recollections and reflections of these 150 young men the men housed in the famed Slaughterhouse Five reveal a very personal side of war and the struggle for survival Yet repatriation did not bring closure to this chapter of their young lives for like shadows their memories would forever be part of them Today more than sixty years after the firebombing of Dresden the statue of a steer wishing health and happiness to the citizens of Dresden still stands at the entrance to the public slaughterhouse a silent witness to the maelstrom that descended upon Dresden and this group of 150 American POWs housed within Now after more than 60 years of silence for most of these men Kurt Vonnegut s fellow POWs tell their story of Slaughterhouse Five in their words as they saw it dog face young soldiers assured that the war was soon to be over     **The Book Bunch** Laura J.
