

A digital tablet with a black bezel is centered in the frame. The screen is light gray and features the word "eBook" in a bold, dark gray, sans-serif font. The background of the screen is decorated with faint, thin black lines forming abstract geometric shapes, including triangles and polygons. The tablet is placed on a stack of several physical books. The pages of the books are visible, showing printed text in a small font. The books are stacked at an angle, creating a sense of depth. The overall lighting is soft, and the colors are muted, giving the image a professional and modern feel.

Book Wars John B. Thompson, 2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time From the surge of ebooks to the self publishing explosion and the growing popularity of audiobooks Book Wars provides a comprehensive and fine grained account of technological disruption in one of our most important and successful creative industries Like other sectors publishing has been thrown into disarray by the digital revolution The foundation on which this industry had been based for 500 years the packaging and sale of words and images in the form of printed books was called into question by a technological revolution that enabled symbolic content to be stored manipulated and transmitted quickly and cheaply Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

You Can Take Better Pictures In One Hour: Sunlight Shooting Robert Kerner, 2014-08-18 Cameras and direct sunlight do not work well together Direct sunlight is the hardest lighting situation to take pictures in because you have no control of it and very few options to try to modify it This book teaches and demonstrates how to get the best pictures possible shooting in direct sunlight on a sunny day The more you know about photography the better your pictures will be and the more you will enjoy photography You will quickly understand the concepts and learn the techniques without a lot of words to confuse you so you can go out and take some awesome photographs Page count was never a concern to me covering the concepts was I d rather have 30 very informative and useful pages than 300 pages of fluff An average reader should be able to get through this book in about an hour and see an instant improvement in the pictures they take You will not need to take out a loan for the tools I ll show you The most expensive tool I recommend is about 40 with most of them being far less than that down to a few pennies or free I wrote my

first photography ebook to fill the need for a short easy to understand basic photography guide In You Can Take Better Pictures In One Hour The Basics I covered the topics and concepts you need to know to take good pictures without all the confusing rhetoric that every book I had reviewed had in it It was about knowing your camera and using to the limits of its features Good photography is only 10 percent about the camera It is 90 percent about the person taking the pictures I continued to write books on how to take better pictures including posing people for pictures This is the first of the lighting topics with several more to come [The Handmaid's Tale \(Graphic Novel\)](#) Margaret Atwood,2019-03-26 The stunning graphic novel adaptation A must read and collector s item for fans of the patron saint of feminist dystopian fiction New York Times Look for The Testaments the sequel to The Handmaid s Tale In Margaret Atwood s dystopian future environmental disasters and declining birthrates have led to a Second American Civil War The result is the rise of the Republic of Gilead a totalitarian regime that enforces rigid social roles and enslaves the few remaining fertile women Offred is one of these a Handmaid bound to produce children for one of Gilead s commanders Deprived of her husband her child her freedom and even her own name Offred clings to her memories and her will to survive Provocative startling prophetic The Handmaid s Tale has long been a global phenomenon With this beautiful graphic novel adaptation of Margaret Atwood s modern classic beautifully realized by artist Ren e Nault the terrifying reality of Gilead has been brought to vivid life like never before
