Four Gospels, One Christ Michael John Hooton, 2016-06-03 The four Gospels are the only books in the Bible to tell the same story from four different angles. Together they show us not only what Jesus was like and how he lived but how his life can become the model for our own. Four Gospels One Christ offers an overview of the three years of Jesus' public ministry: what he did and how he did it as seen through the eyes of Matthew, Mark, Luke, and John. And by exploring the themes that run through the four Gospels, it invites us to reflect on what it really means to follow Jesus.

PLEASED AS PUNCH MARK KELLY, 2009-12-17 A Punch Judy show comes to life in the dying light of day. A comic tragedy. Unreliable narrators. An undeniable punchline. The joke is on us. A book unlike any other book which claims to be unlike any other. Also includes Exhibit A: a short essay on culture and the free market. This project was made possible with Lottery funding from Arts Council England.

Persephone, Or, Slow Time Noah Haidle, 2009 Meet Demeter, an exquisite statue of the Greek goddess as she's being created during the Italian Renaissance. Those who admire her see only stone and fortitude, but her thoughts and desires are all too real. She pines for her lost daughter's return and for the love of her sculptor Giuseppe. Giuseppe, however, is too busy lusting after the city's most popular artist's model to notice Demeter's pain. Fast forward five hundred years: Demeter stands in a present-day American city park. She has become a symbol of hope amidst illicit activity and a target for more than just pigeon droppings. Witness to human foibles, both hilarious and horrible, Demeter is desperate for someone, anyone, to hear her thoughts. And when her life seems bleakest, redemption comes in the unlikeliest of forms. New Century Disciplemaking Bill Hull, 1997 New Century Disciplemaking challenges us to make discipleship the heart of the church's ministry in the coming century. By observing Jesus, we realize that the principles he taught transcend time and culture; can be applied in any setting and can be adapted by any discipler. Following Jesus through the Gospels, Hull outlines Christ's methods in training his twelve disciples. He then presents a biblical pattern that emulates Christ's model for reaching the lost and establishing new converts to Christianity. Hull takes you through four growth phases: evangelizing, establishing, equipping, and leading. By following these phases patiently and lovingly, you will be able to cultivate consistent disciples who remain in Christ, are obedient, bear spiritual fruit, and glorify God. The Publisher.
