## Enrichment 1

It is not intended that every suggestion and activity in this section be followed. A variety of ideas is listed from which to choose as your interest, time and abilities permit. Adult supervision is required for these suggestions. The *Character Analysis* is highly recommended.

### Projects and Field Trips.

1. Dress up like lords and ladies and wear powdered wigs.
2. Visit a castle or a museum with medieval displays.
3. Take a moonlight walk.
4. Find out why some nights are foggy. What causes fog?
5. If you were worth your weight in gold, how much would you be worth? Find out what gold is selling for and compute your worth in dollars.

### Character Analysis.

As we read *The Whipping Boy* we will do a "Character Analysis" of the two main characters. "Character" means "person." It may also refer to a person's "nature or temperament." An "analysis" is a study of a topic; so a "Character Analysis" is a study of a person or his nature. Adjust this activity for the skill level of each student. Choose:

- Student completes the analysis for Prince Horace and Jemmy.
- Student completes the analysis for Prince Horace only.
- Half the class analyzes the prince while the other half analyzes Jemmy.

There is more than one way to do a Character Analysis. In this study we use special squares to analyze Prince Horace and Jemmy.

- First we will examine their character at the beginning of the story.
- Second we will look for changes in their character as the story progresses.
- Third we will compare their character at the beginning of the story with their character at the end of the story. We will see how the prince and Jemmy change.
