This book provides the knowledge and tools to succeed in the rapidly evolving landscape of the cultural and creative industries.

Step-by-Step Publishing Guides Judy Penz Sheluk, 2024-01-19 Whether you're an aspiring author, a traditionally published author considering a change, or merely curious, *Step by Step Publishing Guides* is a must-have reference book covering everything from business basics and publishing platforms to post-publication sales and marketing strategies. This two-volume box set includes the Award-winning *Finding YOUR Path to Publication* and *Self Publishing: The Ins Outs of Going Indie*. Inside you'll find an honest, unbiased look at the pros and cons of five publishing paths: traditional, independent, hybrid, self publishing, and social publishing, as well as an in-depth look at self publishing all while guiding you through the process one easy-to-understand step at a time.

Reference and Information Services Melissa A. Wong, Laura Saunders, 2024-08-22 Written as a textbook for LIS students taking reference courses, this fully updated and revised seventh edition of *Reference and Information Services: An Introduction* also serves as a helpful handbook for practitioners to refamiliarize themselves with particular types and formats of sources and to refresh their knowledge on specific service topics. The first section grounds the rest of the textbook with an overview of the foundations of reference and an introduction to the theories, values, and standards that guide reference service. The second section provides an overview of reference services and techniques for service provision, establishing a foundation of knowledge on reference service and extending ethical and social justice perspectives. The third part offers an overview of the information life cycle and dissemination of information, followed by an in-depth examination of information sources by type as well as by broad subject areas. Finally, the concluding section guides the reader through the process of developing and maintaining their own vision of reference practice. This textbook is essential reading for all preservice and working librarians, particularly those concerned with ethical and social justice perspectives on reference work.
