The Innovation Puzzle Victor Gilsing, 2025-03-04 Beyond a generic innovation toolkit this book dissects the hidden biases and behavioral traps that too often doom innovation within companies to failure It takes the reader on a journey to learn how to banish these innovation killers for good and turn their company into an innovation champion In *The Innovation Puzzle* Professor Victor A Gilsing reveals that in most cases these outcomes cannot be blamed on a lack of funding or a failure to follow innovation gurus playbooks Often the real problem is that companies unwittingly build hidden barriers to innovation within themselves From the systems they use to structure and monitor their business units to their hiring and promotion policies not to mention their executives leadership styles Many of these processes and practices underpinning their core business activities end up depriving innovation of the time space vision talents and perseverance it needs to succeed Building on this insight *The Innovation Puzzle* helps readers identify and remove these barriers within their own firms Rather than one size fits all solutions this volume offers instructive real world examples It provides practical visually rich and easy to apply tools that guide readers toward the measures that will transform their company from a follower into a leader in innovation Perfect for executives and board members as well as for innovation talents and their managers *The Innovation Puzzle* is the key that will unlock the expertise innovation ambitions and inspiration your firm needs to realize its true innovation potential and become an innovation champion

Popular Culture as Everyday Life Dennis Waskul, Phillip Vannini, 2015-11-19 In *Popular Culture and Everyday Life* Phillip Vannini and Dennis Waskul have brought together a variety of short essays that illustrate the many ways that popular culture intersects with mundane experiences of everyday life Most essays are written in a reflexive ethnographic style primarily through observation and personal narrative to convey insights at an intimate level that will resonate with most readers Some of the topics are so mundane they are legitimately universal sleeping getting dressed going to the bathroom etc others are common enough that most readers will directly identify in some way watching television using mobile phones playing video games etc while some topics will appeal more or less depending on a reader's gender interests and recreational pastimes putting on makeup watching the Super Bowl homemaking etc This book will remind readers of their own similar experiences provide opportunities to reflect upon them in new ways as well as compare and contrast how experiences relayed in these pages

relate to lived experiences The essays will easily translate into rich and lively classroom discussions that shed new light on a familiar taken for granted everyday life both individually and collectively At the beginning of the book the authors have provided a grid that shows the topics and themes that each article touches on This book is for popular culture classes and will also be an asset in courses on the sociology of everyday life ethnography and social psychology

The Seven Guardians Jacqueline Ferguson, 2021-08-25 Guided by Spirit to write The Seven Guardians this book describes the incredible path Miryam the Migdalah Mary Magdalene envisioned within her heart guided by her beloved risen Yeshua Jesus Following the resurrection Yeshua appeared to Miryam in her inner vision confirming she was an advanced disciple with the ability to see the multidimensionality of the Universe beyond the Earth realm This vision also validates their unique relationship he loved her the most and she loved him with a devotion that transcends death The Seven Guardians is a path to rediscovering the importance of Miryam in the ministry of Yeshua as a fully realized human and divine as well as a leader of the Nazarenes This is the way of the heart a path for all humans to follow to become ihidaya enlightened ones while embodied in this lifetime The Seven Guardians relies on scholars theologians and authors who translated The Gospel of Mary found in the desert of Egypt and The Gospel of the Beloved Companion The Complete Gospel of Mary It also relies on other apocryphal gospels recently translated The Gospel of Phillip Thomas The Pistis Sophia and others to validate the information In discovering how patriarchy has affected our world today this book includes personal stories mystical experiences and direct communication with Infinite Love to help us recognize how balancing our masculine and feminine energies are of paramount importance for humanity and Earth to evolve and survive It is now time for us to reunite the light of our Divine Mother and Divine Father into our hearts to awaken our own Christ consciousness
