,1901 **Wins, Losses, and Empty Seats** David George Surdam,2021-08-06 Organized baseball has survived its share of
difficult times and never was the state of the game more imperiled than during the Great Depression Or was it Remarkably
during the economic upheavals of the Depression none of the sixteen Major League Baseball teams folded or moved In this
economist s look at the sport as a business between 1929 and 1941 David George Surdam argues that although it was a very
tough decade for baseball the downturn didn t happen immediately The 1930 season after the stock market crash had record
attendance But by 1931 attendance began to fall rapidly plummeting 40 percent by 1933 To adjust teams reduced expenses
by cutting coaches and hiring player managers While even the best players such as Babe Ruth were forced to take pay cuts
most players continued to earn the same pay in terms of purchasing power Baseball remained a great way to make a living
Revenue sharing helped the teams in small markets but not necessarily at the expense of big city teams Off the field owners
devised innovative solutions to keep the game afloat including the development of the Minor League farm system night
baseball and the first radio broadcasts to diversify teams income sources Using research from primary documents Surdam

Featuring authors cases and examples from around the world the book explores the impact of COVID 19 on sport at all levels
from community sport where local clubs gyms and development programmes had to find ways to survive with pitches closed
and projects cancelled to the major professional sport leagues and sport mega events with events postponed and teams
playing in empty stadia It considers the economic social and developmental impacts of the pandemic including physical
mental and social wellbeing and looks at how key professional and community sport organisations have reacted to the crisis
