I Still Believe Kurt Bruner, 2005 Let the critics take their best shot When the smoke clears Christianity is still standing Lots of books have been written on apologetics savvy defenses of the Christian faith But should your faith really depend on your ability to outsmart every critic I Still Believe invites doubters skeptics and others to open fire through candid interviews with

a wide range of unbelievers from the gentle offended to the angry antagonist Rather than making a case for faith it turns the tables by asking unbelievers to make their case for unbelief When you truly listen you gain a better understanding of their underlying feelings and mind set suggesting a deeper unspoken reason millions reject Christian truth See for yourself why the burden of proof lies with the unbeliever not you I Still Believe lets you eavesdrop on conversations with people who find Christianity hard to swallow Hear what they ve got to say with a compassionate heart but also an objective mind You ll understand them better But in the end you ll also be able to look them confidently in the eye and say I still believe *Hide and Seek* Lynette Eason,2017-09-25 To find her daughter a skip tracer teams up with a private detective with his own personal mystery to solve in this uplifting romantic thriller Erica James has spent the past three years as a skip tracer hunting down those who have disappeared hoping to one day find her kidnapped daughter Now she has a new suspect Max Powell s missing sister Max a private investigator has found evidence that connects the two missing girls Now he and Erica are searching for answers As they work together Erica and Max discover an undeniable attraction And the closer they get to the truth the stronger their feelings become But the kidnapper will stop at nothing including murder to keep them from finding Erica s daughter

God Laughs Charles Billingsley,2011-06 Did you know that God sings There are many things God does that you may not have thought about ever before and the more we know the better we can respond to Him God sees God winks God hears He cries He waits and He runs He is jealous and gets angry He smiles frowns and laughs Reflecting on the attributes and activities of God is the best way to become like Him In God Laughs Elmer Towns and Charles Billingsley invite the reader to deeply consider God s character and qualities They contend that it s only as we get to know Him that we can become more like Him and it s only when we glimpse God for who He is that we can worship Him in Spirit and in truth Readers are challenged to dig deeply into Scripture where God reveals that He has a heart and a nose and that He whistles

Feeding Iran Rose Wellman,2021-06-15 Since Iran s 1979 Revolution the imperative to create and protect the inner purity of family and nation in the face of outside spiritual corruption has been a driving force in national politics Through extensive fieldwork Rose Wellman examines how Basiji families as members of Iran s voluntary paramilitary organization are encountering enacting and challenging this imperative Her ethnography reveals how families and state elites are employing blood food and prayer in commemorations for martyrs in Islamic national rituals to create citizens who embody familial piety purity and closeness to God Feeding Iran provides a rare and humanistic account of religion and family life in the post revolutionary Islamic Republic that examines how home life and everyday piety are linked to state power

Reimagining the Sacred Richard Kearney,Jens Zimmermann,2015-12-15 Contemporary conversations about religion and culture are framed by two reductive definitions of secularity In one multiple faiths and nonfaiths coexist free from a dominant belief in God In the other we deny the sacred altogether and exclude religion from rational thought and behavior But is there a third way for those who wish to rediscover the sacred in a skeptical society What kind of faith if any can be

proclaimed after the ravages of the Holocaust and the many religion based terrors since Richard Kearney explores these questions with a host of philosophers known for their inclusive forward thinking work on the intersection of secularism politics and religion An interreligious dialogue that refuses to paper over religious difference these conversations locate the sacred within secular society and affirm a positive role for religion in human reflection and action Drawing on his own philosophical formulations literary analysis and personal interreligious experiences Kearney develops through these engagements a basic gesture of hospitality for approaching the question of God His work facilitates a fresh encounter with our best known voices in continental philosophy and their views on issues of importance to all spiritually minded individuals and skeptics how to reconcile God s goodness with human evil how to believe in both God and natural science how to talk about God without indulging in fundamentalist rhetoric and how to balance God s sovereignty with God s love **The Clerkes Tale** Geoffrey Chaucer,1883 [The Concept of Person in Judaism, Christianity and Islam](#) Georges Tamer,2023-11-06 The sixth volume of the series Key Concepts of Interreligious Discourses investigates the roots of the concept of person in Judaism Christianity and Islam and its relevance for the present time The concept of person lies at the core of central ideas in the modern world such as the value and development of personal identity the sanctity of human person and the human rights based on that In societies that are shaped by a long Christian tradition these ideas are associated often with the belief in the creation of man in the image of God But although Judaism shares with Christianity the same Biblical texts about the creation of man and also the Qur n knows Adam as the first human being created by God and his representative on earth the focus on the concept of person is in each one of these religions a different one So the crucial question is how did the concept of person evolve in Judaism Christianity and Islam out of the concept of human being What are the special features of personhood in each one of these traditions The volume presents the concept of person in its different aspects as anchored in Judaism Christianity and Islam It unfolds commonalities and differences between the three monotheistic religions as well as the manifold discourses about the meaning of person within these three religions
