Donald Trump Jon Huer,2017-05-24 We in the U S have deserved someone like Donald Trump as our president for some time Until now by a string of luck we had mostly centrist presidents both Republican and Democratic some with only a modicum of intelligence and humanity With Donald Trump however we finally ran out of luck and he is our sitting president Now the spotlight is focused on him but we easily forget that he is after all a product of his own society Trump s rise to power owes itself to its own social historical circumstances For decades now America s Consumer Society had prepared the American voters mostly White to find someone like Trump as their leader by supplying them with around the clock distractions that made them feel good happy and falsely powerful Trump s ascendancy could not be possible without our consumption of daily entertainment which makes us selfish childish and idiotic human beings Such minds are easily affected by anxiety anger and vengefulness In our daily sea of popular entertainment of mass circulation we have become trash cans Mental Trash Cans that exist just to process trash that enters and leaves our minds almost at the same time This wasted mind America s most celebrated symbol of success that is created by its best and brightest keeps us away from one another as we become privatized citizens and neighbors in our individual cocoons lonely scared dumbed down living and dying our solitary unconnected lives Into this vacuum of intelligence and humanity enter Donald Trump the entertainer billionaire now the President who with his brand of populist Fascism challenges the powers of entrenched Corporate America and all of its mind captivating arsenal He successfully conquered White Americans by separating them from non whites thus revealing America s nationalism and racism hitherto papered over in its Liberal Capital consumer paradise The common Americans whether

White or non white possess two prized items that Corporate and Political America covets and wants to take from them the dollar and the vote The American Masses now as garbage fed children are neither smart nor united enough to protect the two critical weapons of their democracy Trump s presidency proves it **Media Selling** Charles Warner,William Lederer,Brian Moroz,2020-07-17 The must have resource for media selling in today s technology driven environment The revised and updated fifth edition of Media Selling is an essential guide to our technology driven programmatic micro targeted mobile multi channel media ecosystem Today digital advertising has surpassed television as the number one ad investment platform and Google and Facebook dominate the digital advertising marketplace The authors highlight the new sales processes and approaches that will give media salespeople a leg up on the competition in our post Internet media era The book explores the automated programmatic buying and selling of digital ad inventory that is disrupting both media buyers and media salespeople In addition to information on disruptive technologies in media sales the book explores sales ethics communication theory and listening emotional intelligence creating value the principles of persuasion sales stage management guides and sample in person phone and email sales scripts Media Selling offers media sellers a customer first and problem solving sales approach The updated fifth edition Contains insight from digital experts into how 82 5% of digital ad inventory is bought and sold programmatically Reveals how to conduct research on Google Analytics Identifies how media salespeople can offer cross platform and multi channel solutions to prospects advertising and marketing challenge Includes insights into selling and distribution of podcasts Includes links to downloadable case studies presentations and planners on the Media Selling website Includes an extensive Glossary of Digital Advertising terms Written for students in communications radio TV and mass communication Media Selling is the classic work in the field The updated edition provides an indispensable tool for learning training and mastering sales techniques for digital media **Masters of Cosmetic Surgery - The Video Atlas** Rod J. Digital Pharma Marketing Playbook is a first of its kind of book It is the first and only book that presents 101 cases in digital pharma marketing These cases show how some of the leading pharmaceutical companies across the world have used digital and social media channels They are also excellent learning opportunities to all pharma marketing and brand managers and students of pharmaceutical marketing Digital transformation is sweeping the world around us Everything these days has become digital The ever increasing rate of adoption of wearable devices and the advent of the internet of things are digitizing more and more of our experience At the same time healthcare in general and the pharmaceutical industry in particular have been lagging in adapting to a digital strategy It is not that the pharma is new to multichannel marketing The pharmaceutical industry traditionally has been following a multichannel marketing strategy where most of the channels have been static rather than dynamic The number of channels has increased significantly due to the internet explosion Pharma is moving to a multi stakeholder world a world in which stakeholders beyond the prescriber are gaining importance These new influencer groups such as patients nurses payers and regulators are increasingly turning to digital channels for their information needs regarding healthcare Digital therefore plays a vital role in reaching these new audiences If you want to maximize the impact of your marketing communications can you afford to ignore the channels that your stakeholders are frequently using Of course not Therefore the question is not to digitize or not to digitize but how soon and how effectively Why a Digital Pharma Marketing Playbook Because a playbook is a one stop read or single source resource for all the essential information that you need on a given sport in our case Digital Pharma Marketing If you can make work more fun and enjoyable it is play Moreover when work becomes play there are no goals that you cannot score
