Summer in the Islands Matthew Fort, 2017-06-22

Imagine spending a carefree summer in the Italian sun beachcombing eating and drinking with abandon drifting without restraint from island to island from port to port

Summer in the Islands is the record of Matthew Fort doing just that in his third Italian voyage on a Vespa first down the length of Italy in *Eating Up Italy* then around Sicily in *Sweet Honey Bitter Lemons* and now hopping between the Aeolian Islands something he hadn't done since his early 20s

Traveling by Vespa and by ferry Fort tours the islands at his leisure He takes us to Elba where Napoleon was once imprisoned to Salina famous for its capers just as Pantelleria is famous for its dessert wine to Pianosa where dangerous Mafia bosses were kept and which Joseph Heller used as the setting for *Catch 22* to Capri where Maxim Gorky ran a school for revolutionaries which was visited by Lenin and Stalin to all of Italy's 52 islands which he has never written about before

With 30 years of experience as a food critic travel writer and adventurer Fort is an excellent guide through the culinary and cultural history he encounters during his summer in the islands
