*Synchrodestiny* Deepak Chopra, 2005 Dr Deepak Chopra the bestselling pioneer in mind body medicine shows how coincidences are messages about the miraculous potential of each moment He reveals how through understanding the forces that shape coincidences you can learn to live at a deeper level and access the flow of synchronicity that lies at the heart of existence You can start to transform your life through full contact living in which all things will be within your reach Discover That there s no such thing as a meaningless coincidence The seven principles of synchrodestiny Practical techniques for applying those principles The seeds of a perfect destiny lie within you This remarkable book will show you how to release their potential and live a life more wondrous than dreams      **The Spontaneous Fulfillment of Desire** Deepak Chopra, M.D., 2004-08-12 As elegant as his bestselling *How to Know God* and as practical as his phenomenal *The Seven Spiritual Laws of Success* this groundbreaking new book from Deepak Chopra contains a dramatic premise Not only are everyday coincidences meaningful they actually provide us with glimpses of the field of infinite possibilities that lies at the heart of all things By gaining access to this wellspring of creation we can literally rewrite our destinies in any way we wish From this realm of pure potential we are connected to everything that exists and everything that is yet to come Coincidences can then be recognized as containing precious clues about particular facets of our lives that require our attention As you become more aware of coincidences and their meanings you begin to connect more and more with the underlying field of infinite possibilities This is when the magic begins This is when you achieve the spontaneous fulfillment of desire At a time when world events may leave us feeling especially insignificant and vulnerable Deepak Chopra restores our awareness of the awesome powers within us And through specific principles and exercises he provides the tools with which to create the magnificent miraculous life that is our birthright      **The Essential Spontaneous Fulfillment of Desire** Deepak Chopra, M.D., 2007-10-30 As elegant as his bestselling *How to Know God* and as practical as his phenomenal *The Seven Spiritual Laws of Success* this groundbreaking new book from Deepak Chopra contains a dramatic premise Not only are everyday coincidences meaningful they actually provide us with glimpses of the field of infinite possibilities that lies at the heart of all things By gaining access to this wellspring of creation we can literally rewrite our destinies in any way we wish From this realm of pure potential we are connected to everything that exists and everything that is yet to come Coincidences can then be recognized as containing precious clues about particular facets of our lives that require our attention As you become more aware of coincidences and their meanings you begin to connect more and more with the underlying field of infinite possibilities This is when the magic begins This is when you achieve the spontaneous fulfillment of desire At a time when world events may leave us feeling especially insignificant and vulnerable Deepak Chopra restores our awareness of the awesome powers within us And through specific principles and exercises he provides the tools with which to create the magnificent miraculous life that is our birthright      **The Many Faces of Coincidence** Laurence Browne, 2017-11-10

Although much has been said and written about coincidences there is a marked absence when it comes to the development of a comprehensive model that incorporates the many different ways in which they can be understood and explained One reason for this omission is undoubtedly the sharp divide that exists between those who find coincidences meaningful and those who do not with the result that the conclusions of the many books and articles on the subject have tended to fall into distinct camps The Many Faces of Coincidence attempts to remedy this impasse by proposing an inclusive categorisation for coincidences of all shapes and sizes At the same time some of the implications arising from the various explanations are explored including the possibility of an underlying unity of mind and matter constituting the ground of being *Road to Digital Divine* Hemant Gupta,2010-12-20 For most of us our current perspective is deeply rooted in the eighteenth century science of materialism The new science of information and quantum computation is bringing a fresh perspective a new understanding about the true nature of us and our universe It has profound implications to the way us humans understand ourselves and our universe Since this newer understanding rests on digital and informational nature of being and has divine like qualities I have referred to this as digital divine A road to arrive at digital divinity has also been my journey to understand this new nature of us and our universe From this perch our universe appears like an informational entity rooted deeply in the nature of silence or zero Broader laws of information seem to describe its nature and behaviors far better than the classical laws of physics Our physical universe emerges as a computing platform engaged in grand act of quantum and binary information processing How does one start from a macro view of our perceptual universe and arrive at the computational nature of matter and mind How do cosmic emotional and rational mind arise from this foundation How does this view impact the concept of my self that I hold deep with in my psyche The informational and computational description of our universe provides a framework to naturally explain many such difficult questions As one realizes that this grand informational and quantum computational entity or digital divine is not only rooted in logic but it is also rooted in love oneness or unity consciousness one embarks on a new understanding of us our universe and our divinity an incredible bridge between science and spirituality This is an amazing know how We can all benefit from this Therapy, Culture and Spirituality G. Nolan,W. West,2014-12-04 This edited collection addresses how therapy can engage with issues of race culture religion and spirituality It is a response to the need for practitioners to further their understanding and skills base in developing ways of appropriately responding to the interconnectivity of these evolving issues The Path Don Levin,2020-12-18 This is the story of the grandson of Jewish immigrants who came through Ellis Island in pursuit of the American Dream After a childhood during which he felt there was a decided absence of purpose and explanation for our life on Earth the author has spent a lifetime seeking and finding answers to three basic questions Where did I come from Why am I here and Where will I go when I die There was no single momentous instant of realization but rather a lifetime of continuous discovery of faith in a loving Heavenly Father a savior in Jesus Christ and a beloved companion in the Holy Ghost

as he progressed along the Path of discovery All along this path there were people and opportunities strategically placed so as to allow this discovery of faith to occur and to constantly be strengthened Written as a memoir of developing faith it is not an autobiography or life story but rather a compilation of these meetings and experiences that allowed this man to fully embrace the tenets of the Church of Jesus Christ of Latter day Saints Growing up in and around the city of Chicago in predominantly Jewish neighborhoods Don s anecdotal stories reveal the truth behind how a nice Jewish boy became a Mormon bishop It was compiled as a testimony for his children grandchildren and future generations as to how his family came to be members of this faith The journey of a thousand miles starts with the first of many steps This is the story of those countless steps along the path **The Gift of Now** Eleanor Vaughan, Judith Pierson, 2012-04-11 **Resurgence** , 2004
