Stunich, 2022-10-14 When Hell Invades The Churches An Expose of Redding Bethel and the New Apostolic Reformation reveals how the New Age has entered the church just as Dave Hunt warned in his seminal 1985 book The Seduction of Christianity Mr Stunich has courageously exposed how New Age Temples like Bethel Church are masquerading as Christian churches and how a new breed of American entrepreneur the pastorpreneur is mixing business and faux Christianity in order to achieve great worldly success while leading millions of Christians dangerously astray and far from the narrow path that leads to salvation and into a new experienced based contra Scriptural religion masquerading as Christianity Readers will be shocked to see how far Bethel has strayed from the truth yet still manages to deceive most of the world into believing that it

is a Christian church If you have any doubt that the great apostasy falling away predicted in 2 Thessalonians 2 is well underway this book will dispel any doubts This book peels back the curtain on the New Apostolic Reformation and lays bare how absurd its claims are that new apostles and prophets now guide the church while the movement spews out countless false prophecies and false claims of new revelations from God But this book should be of equal interest to secular readers and all who wish to preserve the separation between church and state for this book exposes how a new form of faux Christianity seeks dominion over all human endeavors both public and private and in the process is causing both spiritual and temporal harm on a global scale

occur It is amazing to behold that with Gods blessing and breath new life is formed in merely 280 days Regardless of what we have seen before there is nothing so powerful as witnessing the birth of a child A world bellowing with destruction and chaos cannot detract from the wonder of a newborns cry nor can the radiance of earthly gems outshine the brilliance emanating from youthful eyes Yet in a matter of moments the joy of fatherhood is trespassed Fear creeps into our stream of conscious thought What can I possibly offer this incarnation of love If we are fortunate we know our shortcomings and have taken inventory of our failures because the strength of fatherhood lies not within the realm of self proclaimed virtues or gifted abilities but in our willingness to be present with our own vulnerabilities We hear this truth from our heavenly Father who tells us to Consider your own call not many of you were wise by human standards not many were powerful not many were of noble birth But I chose what is foolish in the world to shame the wise I chose what is weak in the world to shame the strong I chose what is low and despised in the world things that are not to reduce to nothing things that are so that no one might boast in my presence The source of your life is Christ Jesus who became wisdom for the world adapted reading of 1 Corinthians 1 26 30 This book chronicles the journey of one mans quest to explore his past alongside the wisdom of scripture so that his son Julian might pursue pathways of wholeness which his father failed to follow Through personal trials and encounters with the world this father forges an understanding that he wishes to pass on to his son hoping it blesses his life With prayer wisdom and a relationship rooted in love a father embarks on an inner exploration in an effort that the errors of today need not be repeated tomorrow Righteous living is not an accidental phenomenon but rather an intentional choice shaped by loving forces within ones life In the end no one knows the ways of man or his son save one and he generously affords his creation the space to choose as their will desires If you are a father raising a child or are simply searching for a voice of practical wisdom in a world filled with illusions read these letters Insight has a way of not only transforming the heart but also redirecting the soul towards that which is life giving and not life consuming But whatever you do from this moment on know that there are few truths in the world and when you find them embrace them because they have the power to steer you in the right direction You are holding on to a book that contains such wisdom Continue your quest within
