## **Unfounded Loyalty:**

*Procedures for the Administration of an Employment Loyalty Program* United States. Loyalty Review Board, 1951

Unfounded Loyalty Wayne Perryman, 2004 Unfounded Loyalty offers a profound look at the influences that have shaped the cultural development of modern Black America. The book re-examines historic assumptions about the role of Christianity and the Democratic Party as supporters of civil rights and black voters. In an investigative style, Perryman reveals shocking events and deceptions which are part of America's untold history. Unfounded Loyalty is a compelling, well-researched and documented historical study.

The Countess of Pembroke's Arcadia Philip Sidney, 1590 **Sunstone** Jane Ilyot, 2024-01-01  
Brenaia one of the last two remaining land masses that emerged from the ocean when the Era of the Cristel Hearts began Rashkin a bloodline that ruled over Rueman for thousands of years as they sat on the Sunstone Throne of Ruel. Found themselves deposed as the regecide saw them fall one by one on the blades of the Fr ge supporters. Rueman the second land mass created by the Cristel Hearts currently under the control of Emrich Fr ge as he builds a dynasty to bury the Rashkin name. Come follow our gifted heroine Keen Rashkin Bikkea as she embarks on the only path her life was ever destined to take a tale of born courage that saw the last vestiges of an age as she plays tourchbearer in an epic that can only ever end one way. The first fourteen chapters are available for free on Inkspired Wattpad and Inkitt.

**Bridging the Racial & Political Divide** Alice Patterson, 2010-10 Some would say Now is not the time to talk about race in politics. America is divided and needs to be united. Alice Patterson demonstrates that now is the time to discuss what has divided us and how to bring transformation to our nation. In this book, you will find reconciliation and racial healing in an unlikely place the political arena. Is God interested in politics? Does He want you to get involved? Can ordinary citizens have real power instead of just influence? Can we empower evil powers without even realizing it? Is tolerance a virtue or a sin? These answers and more are found in *Bridging the Racial Political Divide*.

**Aloha Compadre** Rudy P. Guevarra, 2023-07-14 Awarded honorable mention for the 2024 International Latino Book Awards in The Dolores Huerta Best Cultural Community Themed Book English category. Aloha Compadre Latinxs in Hawai'i is the first book to examine the collective history and contemporary experiences of the Latinx population of Hawai'i. This study reveals that contrary to popular discourse, Latinx migration to Hawai'i is not a recent event. In the national memory of the United States, for example, the Latinx population of Hawai'i is often portrayed as recent arrivals and not as long-term historical communities with a presence that precedes the formation of statehood itself. Historically speaking, Latinxs have been voyaging to the Hawaiian Islands for over one hundred and ninety years. From the early 1830s to the present, they continue to help shape Hawai'i's history, yet their contributions are often overlooked. Latinxs have been a part of the cultural landscape of Hawai'i prior to annexation, territorial status, and statehood in 1959. Aloha Compadre also explores the expanding boundaries of Latinx migration beyond the western hemisphere and into Oceania.

**Pedigree** Michael Harrison, 2019-03-15 Killing a Colored Man's Pedigree is a provocative look at why it is neither cool nor an honor to be a baby mama. As Harrison compellingly argues, it does not take a village to raise a child; it only takes two married parents. This confrontational, in-depth look at the numbers documenting the increased poverty and violent crime blacks are experiencing is proof to Michael Harrison that black Americans' chickens have come home to roost and that black America is reaping what it has sown for decades. Required reading for anyone who wants to understand the problems plaguing the black community. Killing a Colored Man's Pedigree asks questions and provides answers about issues that are seldom if ever discussed because of political correctness. Things you'll learn: How the high unmarried birthrate among blacks relates to the poverty and crime that plague large parts of the black community; and how, as Harrison argues, it may permanently destroy black culture in America. Clinical and scientific research that explains the importance and presence of the alpha male role model, which is woefully absent for the majority of young blacks. How our culture at large, both black and white, tends to worship baby mamas and bad boy black actors, sports stars, musicians, rappers, and the like; and how this utterly exacerbates the problem. How modern culture encourages what Harrison terms a phony victim status in the black community, which trickles down into poor white culture, particularly among unwed black mothers. How corrupt black politicians whose personal agendas far outweigh the greater good have taken over black leadership and are leading black America astray. Practical solutions to these problems, using education, media, and community outreach programs. Harrison's dream of starting a national grass roots effort promoting greater personal responsibility, which could reverse this self-destructive trend and lead to a healthier black community and greater prosperity for all. Ringing with passion, anecdotes, and a poignant plea for black America to do an all-around better job of behaving itself and raising kids, Harrison ultimately argues for greater responsibility as the answer to the pervasive problems facing the black community.
