## **Uniform Commercial Code Hornbook:**

**Uniform Commercial Code** James J. White, Robert S. Summers, 2000 Provides law students with an in depth introduction to the UCC without burdening them with unnecessary detail. Citations have been used only where necessary to enable the reader to understand the kinds of cases that might be presented under particular provisions of the Code. The chapters on Article 9 have been completely rewritten to deal only with revised Article 9 1999. Similar revisions have been made to the chapter on Article 5 1996 revision and to other parts of the book to account for other Code amendments.
