Søren Frank

We The Drowned By Carsten Jensen 2011 04 07:

Transoceanic Perspectives in Amitav Ghosh's Ibis Trilogy Juan-José Martín-González, 2021-06-23 Transoceanic Perspectives in Amitav Ghosh's Ibis Trilogy studies Ghosh's Sea of Poppies 2008, River of Smoke 2011, and Flood of Fire 2015 in relation to maritime criticism. Juan-José Martín-González draws upon the intersections between maritime criticism and postcolonial thought to provide via an analysis of the Ibis trilogy alternative insights into nationalism's cosmopolitanism and globalization. He shows that the Victorian age in its transoceanic dimension can be read as an era of proto-globalization that facilitates a materialist critique of the inequities of contemporary global neo-liberalism. The book argues that in order to maintain its critical sharpness, postcolonialism must redirect its focus towards today's most obvious legacy of nineteenth-century imperialism: capitalist globalization. Tracing the migrating characters who engage in transoceanic crossings through Victorian sea lanes in the Ibis trilogy, Martín-González explores how these dispossessed collectives made sense of their identities in the Victorian waterworlds and illustrates the political possibilities provided by the sea crossing and its fluid boundaries.

The Reception of Joseph Conrad in Europe Robert Hampson, Véronique Pauly, 2022-05-05 Born and brought up in Poland bilingually in French and Polish but living for most of his professional life in England and writing in English, Joseph Conrad was from the start as much a European writer as he was a British one and his work from his earliest fictions through Heart of Darkness, Nostromo and The Secret Agent to his later novels has repeatedly been the focal point of discussions about key issues of the modern age. With chapters written by leading international scholars, this book provides a wide ranging survey of the reception, translation and publication history of Conrad's works across Europe. Covering reviews and critical discussion and with some attention to adaptations in other media, these chapters situate Conrad's works in their social and political context. The book also includes bibliographies of key translations in each of the European countries covered and a timeline of Conrad's reception throughout the continent.

A Poetic History of the Oceans Søren Frank, 2022-07-18 What is the ocean's role in human and planetary history? How have writers, sailors, painters, scientists, historians and philosophers from across time and space poetically envisioned the oceans and depicted human entanglements with the sea? In order to answer these questions, Søren Frank covers an impressive range of material in *A Poetic History of the Oceans*. Greek, Roman and Biblical texts, an Icelandic Saga, Shakespearean drama, Jens Munk's logbook, 19th century writers such as James Fenimore Cooper, Herman Melville, Jules Michelet, Victor Hugo, Jules Verne, Jonas Lie and Joseph Conrad, as well as their 20th and 21st century heirs like J. G. Ballard, Jens Bjørneboe and Siri Rana Hjelm Jacobsen. *A Poetic History of the Oceans* promotes what Frank labels an amphibian comparative literature and mobilises recent theoretical concepts and methodological developments in Blue Humanities, Blue Ecology and New Materialism to shed new light on well-known texts and introduce readers to important but lesser-known Scandinavian literary engagements with the sea.

We, the Drowned Carsten Jensen, 2011-02-09 Explore the wondrous sea and the oddities of human nature in this international bestselling

thrilling epic novel of a Danish port town Hailed in Europe as an instant classic *We the Drowned* is the story of the port town of Marstal Denmark whose inhabitants sailed the world from the mid nineteenth century to the end of the Second World War The novel tells of ships wrecked and blown up in wars of places of terror and violence that continue to lure each generation there are cannibals here shrunken heads prophetic dreams and miraculous survivals The result is a brilliant seafaring novel a gripping saga encompassing industrial growth the years of expansion and exploration the crucible of the first half of the twentieth century and most of all the sea Called one of the most exciting authors in Nordic literature by Henning Mankell Carsten Jensen has worked as a literary critic and a journalist reporting from China Cambodia Latin America the Pacific Islands and Afghanistan He lives in Copenhagen and Marstal *We the Drowned* sets sail beyond the narrow channels of the seafaring genre and approaches Tolstoy in its evocation of war s confusion its power to stun victors and vanquished alike A gorgeous unsparing novel Washington Post A generational saga a swashbuckling sailor s tale and the account of a small town coming into modernity both Melville and Steinbeck might have been pleased to read it New Republic Dozens of stories coalesce into an odyssey taut with action and drama and suffused with enough heart to satisfy readers who want more than the breakneck thrills of ships battling the elements Publishers Weekly starred
