Cub Scouting is a family-oriented program designed to promote home-centered and neighborhood-directed activities. Webelos is the final step before joining the Scouts BSA ranks. The Webelos outdoor camping program gives the Webelos, their parents, and their leaders an introduction to the outdoors and an appreciation of nature. The program also helps the transition from Cub Scouting to Scouts BSA and offers each Webelos Scout the opportunity to learn and practice safe, practical, and **fun** camping.

The Webelo-REE is an outdoor camping program that seeks to capture these opportunities for Webelos Scouts. It is designed to guide these scouts and their parents as they prepare to enter the Scouts BSA program. Its primary purpose is to build a genuine desire to know more about Scouting and give the Webelos and their parents a preview of Scouting skills and camping. The benefits of the Webelo-REE are many:

- An introduction to Scouting skills and fun for the Webelos;
- An opportunity to learn about and experience the primary GSLAC camping facility - S-F Scout Ranch;
- The thrill of participating in outdoor activities and adventures;
- Open the door to Scouts BSA and build the enthusiasm to continue;
- An opportunity for parents to spend quality time with their scout and build a closer relationship at the time in his life when it can be most beneficial;
- And much more.

This manual will hopefully answer all of your questions and prepare you for a great time. Should you have any questions or suggestions, feel free to contact any of the following:

## **Webelo Manual 2013:**

*Society in Focus* William E. Thompson, Joseph V. Hickey, Mica L. Thompson, 2018-11-13 *Society in Focus An Introduction to Sociology Ninth Edition* emphasizes how society and social forces affect everything from globalization and international policies to day to day activities in our personal lives. In this edition the authors go beyond the mere questioning of issues to take a closer look at the social world in which we live. They provide an integrated approach that uses sociological thinking to help students analyze and understand key concepts. To focus increased attention on sociological thinking and research methods they have chosen four key themes: media and technology, globalization, cultural diversity, and trends for the future. Because sociology is about all of us and our daily lives, it is an eminently practical and useful discipline for understanding our social world. This Ninth Edition includes specific student outcomes for each chapter as well as assessment items linked to those outcomes. New chapter opening vignettes that give real life examples illustrating important terms, concepts, and theories included in that chapter, updated data, statistics, maps, charts, boxes, and tables citing the latest research available, examples of the powerful impact of media and technology on society, especially the role social media play in helping to shape and define our daily social lives, new photos and cartoons accompanied by critical thinking questions that reinforce and illustrate important sociological terms, concepts, and theories.
