

## Installation

To install Heroic Knowledge Base you will require a self-hosted WordPress version 5.8 or higher installation. You can install the plugin in a number of ways:

- **From Zip File:** In the WordPress admin panel navigate to *Plugins > Add New*, select the *"Upload"* and browse to the zipped plugin file, and hit *Install now*.
- **FTP Upload:** Using your *FTP* program upload the un-zipped plugin folder into the *App-content/plugins/* folder of your WordPress installation.

Once the plugin has been installed, you need to activate it. Click *Activate* or goto *Plugins > Installed Plugins* and activate the Heroic Knowledge Base.

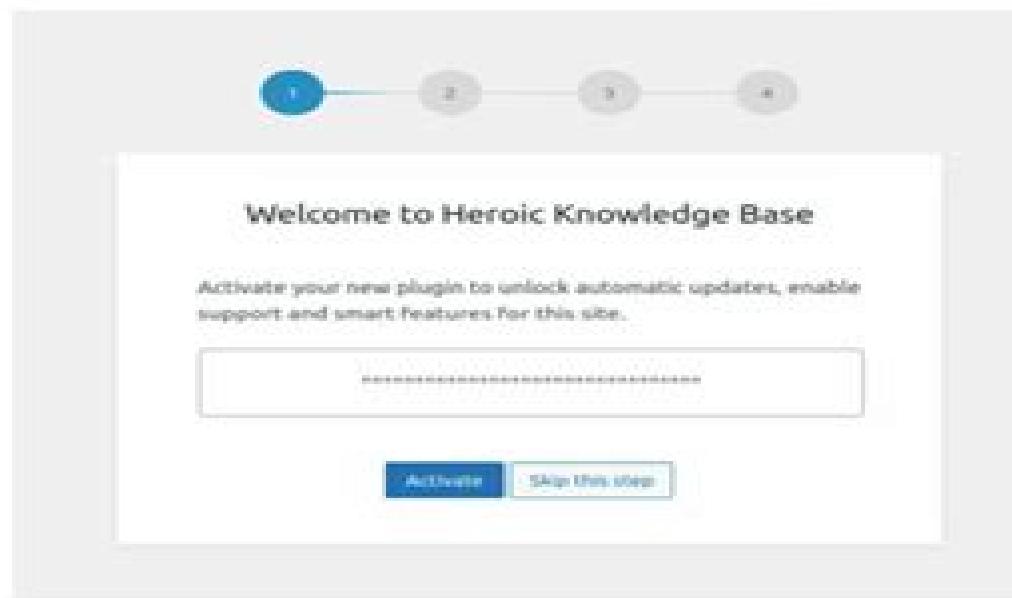

## Setup Assistant

Upon plugin activation, you will automatically be sent to the Heroic Knowledge Base setup assistant screen, which guides you through the activation and setup process.

## Activate Support & Updates

Enter your license key (found in the [Licenses tab of Your HeroThemes Account](#) or purchase email) to activate support, updates and smart features including email reports and help assistant.

# Website User Manual

**Will Aitchison**

## **Website User Manual:**

*Website Owner's Manual* Paul A. Boag, 2009-10-31 Many of the people responsible for a website don't have a clue what is required to build one and keep it up and running. The job of planning, launching, and managing a site often falls to people who have little or no experience in web design or development. *Website Owner's Manual* is for the thousands of marketers, IT managers, project leaders, and business owners who need to put a website in place and keep it running with a minimum of trouble. Using clever illustrations, easy-to-follow lists and diagrams, and other friendly touches, *Website Owner's Manual* helps readers form a vision for a site, guides them through the process of selecting a web design agency, and gives just enough background to help them make intelligent decisions throughout the development process. This book provides a jargon-free overview of web design, including accessibility, usability, online marketing, and web development techniques. Using *Website Owner's Manual*, readers master the vocabulary and concepts they need to discuss how a website dovetails with the needs of a business. This book will help them work confidently with the designers and developers building and maintaining a site so they can concentrate on what your website needs to do. Purchase of the print book comes with an offer of a free PDF, ePUB, and Kindle eBook from Manning. Also available is all code from the book [The Private Music Instruction Manual](#).

Rebecca Osborn, 2004 Future and current independent private music educators will find this book an invaluable resource for establishing and maintaining a private music studio. Private music instructors will learn what they should expect professionally, personally, and financially from their independent music instruction business. Until now no single resource has existed that fully explains how to run this type of business successfully. This book presents all aspects of private music instruction through an easy-to-read, concise, and engaging instructional format. Following the sound advice presented will help to greatly alleviate the problems that all beginning independent instructors face by specifically mapping out chronological steps for establishing and maintaining a private instruction music business. The field of private music education has been inundated by less than professional individuals who have made it difficult for legitimate qualified instructors. *The Private Music Instruction Manual* shares years of information and experiences in the hope of legitimizing the field of private music instruction. In a world where there is decreasing priority and structure in public music education, private music instructors become increasingly important to prepare the next generation of musicians. No matter the size of your private music instruction business, the advice presented in *The Private Music Instruction Manual* will help to improve any private music business. From the Midwest Book Review: With *The Private Music Instruction Manual: A Guide For The Independent Music Educator*, author Rebecca Osborn draws upon her many years of experience and expertise as an adjunct college music professor and owner of three private music studios to write an informed and informative guidebook specifically for musicians and music instructors who want to teach students in a profitable private practice but are not familiar with or knowledgeable about setting up a music instruction business enterprise. Rebecca Osborne provides a wealth of invaluable professional

effectively organized and presented instructions on establishing and maintaining a music teaching business and shows what to expect professionally personally and financially from independent music instruction If you want to make money teaching other how to play any kind of music instrument then you need to give a careful and profitable reading to Rebecca Osborn's The Private Music Instruction Manual
