

HOW TO POSE... BRIDE & GROOM

PhotoPlus

CHEST TO CHEST

Ask the couple to sit and facing each other, chest to chest, with weight on the back foot, looking at you. Top tip: Move bride's front arm to groom's chest, arm or waist for extra variety.

EYES ON THE BRIDE

Either have bride and groom look at one another, or ask groom to look at bride and bride at the camera. These variations work for almost any pose. Top tip: Ask the groom to whisper in the bride's ear.

LEAN WITH ME

Facing each other, get the groom to hold the bride's waist and back, then lean her gently backwards. Top tip: Subjects can be self-conscious about profile shots, so watch out for double-chins.

TURNED AWAY

Rotate the 'Chest to Chest' pose above, so that the back of the bride's dress is on view. Hold hands and get both of them look towards the camera. Top tip: Always make sure the dress looks tidy.

WEDDING DANCE

Perform a few slow dance moves. A gentle pirouette creates a nice flowing shape and relaxes the mood. Top tip: Movement can result in attractive and spontaneous body shapes and facial expressions.

DOWN THE AISLE

Hold hands and walk slowly towards you while looking at one another, even gently swaying arms. Top tip: Set AF Servo AF mode for continuous focusing of moving subjects.

OVER THE THRESHOLD

Ask groom to lift the bride side-on. Ensure the dress flows nicely and doesn't get caught up in his hands. Top tip: Ask the groom to bounce the bride to add a sense of fun. Shoot quickly before faces turn red!

FRONT TO BACK

Lean the bride back into groom's chest, with arms together at her waist. Place her hands on top of his. Top tip: Ask the couple to gently touch heads and look down to create an intimate mood.

LOVERS' LIFT

Ask the groom to link his arms under the bride's legs and lift her slowly. Ask the bride to bend her legs up. Top tip: Instead of asking them to kiss, get them to touch noses so you can still see their faces.

Wedding Posing Guide

Richard Potter

Wedding Posing Guide:

Master Posing Guide for Wedding Photographers Bill Hurter,2009-04-01 Outlining a theory that combines the refinement of traditional posing techniques with the more organic spontaneous techniques of photojournalism this creative and informative resource offers poses that rely on personality and interaction These instructions from a veteran wedding photographer provide the skills needed to recognize what makes a great pose and how to subtly direct your clients to achieve the needed balance between looking great and looking comfortable Ultimately this grouping of modern and traditional shots offers answers to the complications faced when attempting to pose wedding parties quickly while keeping the natural look that all wedding couples desire
