ELKAR STEEL IN MEXICO CONNECTION

Bobby Edgar of Moran, who was injured as a result of an explosion at his home at Dallas several weeks ago while cleaning a cistern, is having skin grafts and other treatments at Brooke Burns Center in San Antonio. His condition is still critical. He was released because of infection. It is not known whether he will have a skin surgery or not. Edgar, who suffered burns over 75 percent of his body, has only about one inch of healthy skin around his waist from which grafts can be made. One skin has received grafts, and one leg is now being grafted. His family is still quite anxious about Bobby, according to Mrs. Ann Pittman, his mother.

EMERGENCY MEDICAL SERVICES—A NEW IDEA

Saving lives is what it's all about. It's Emergency Medical Services (EMS), and some of the technology is new. Some of the techniques are new. But the purpose is the same as it's always been — to get help to sick and injured people when they need it. But, EMS in Albany is more than an ambulance. A volunteer service that simply transports people. We know that EMS training was available and that an emergency room was

could be operated on the same basis as the Albany Volunteer Fire Department. The EMS went through 40 hours of specialized Emergency Medical Technician training and 40 hours of ambulance and 40 hours of first aid training. He, along with his wife Brenda, Edie Hise, Cliff Brundson, and Kerry Brundson, has organized the Albany Volunteer Fire Department Emergency Rescue Team. Presently in Albany, ambulance service is provided by Godfrey Funeral Home. The service consists of one modified hearse-type vehicle, and is

funded from charges for services. Currently the ambulance driver has only basic first aid training, but is unable to care for the patient and drive at the same time. The rescue team works with the ambulance company to provide help to the seriously injured or ill. EMS training is available for anyone who wants to do more to sustain life, minimize further injury and reduce the risk of a person who is in serious or critical condition. We're not in competition with the ambulance service — we don't even have an ambulance," Pratt said. "What

we do is work with the ambulance. We go to the scene where someone is sick or injured and provide medical services until the ambulance arrives." Patients are taken to Shackelford County Hospital for emergency treatment. "Our service makes emergency care the kind of service we provide in professional care," Pratt said. "We want the difference between life and death," Pratt said. "The problem is we're on a volunteer basis. We're not funding for training or materials that are vital to our work."

We need volunteers to help the kind of medical equipment necessary. And we need people in Albany to know that they should expect really good care," he continued. "Each person is like the third public service. Like the police and fire departments. They need people. EMS training, available to anyone, is mandatory through the Public Health Region IV office in Abilene. The courses cost between \$5 and \$10 and are a commitment. In Albany at least five people are committed."

The numbers to call for EMS in Albany are 782-2231 for an ambulance and 782-2000 for the rescue team. "We want to save lives," says Pratt. "It's as simple as that. And with everyone's help we'll do it." Glenn Pratt went to College Station, Texas where he will receive his EMS training. He will be an instructor on the laws, rules and regulations of Volunteer Fire Department. He will be handling legislation and Albany VFD pass the regulations. He will be a key role.

THE ALBANY ALL-STARS finish the 1978 season being a close contest to Beard, 2-0 last Thursday. From left to right: Steve Williams, Steve Gosselt, Billy Brink, Bob Hoffman, Chuck Hawk, Joe Allen Villarreal, James Garcia, H.M. Brundson, Jay Adams, Donald Pierce, Kelly Green, Jay Villarreal, Ricky Francisco, Kenneth Jones.
