

FLYER—Frank Hoffman, Dept. 6 illustrator at Convair Fort Worth, shows model that won trip to England to fly an American team in World Model Plane Meet.

To Fly for U. S.

Modeler's Plane Battles Gale And Wins Builder Trip Abroad

Fourteen minutes, 24 seconds, a large degree of skill and a solid knowledge of basic design were a trip to England for Frank Hoffman, Convair Fort Worth engineer.

An engineering illustrator in Convair's Model Department, Hoffman's drawing and design ability has given him an added interest in precision model airplane work. It was this interest that led him to join the American team that will compete in the World Championships Meet in Crowthorne, England, on Sept. 10.

Hoffman won his trip in a competition staged in Dallas last month with the American team in the Fort Worth elimination meet on May 15.

His time in the second-round arena was 14 minutes and 24 seconds, with the first-round time 13 minutes.

"It took me longer to finish," he said. "That's because I'm not a competitor.

He has won three times and three consecutive years. His aeronautical knowledge is a must, plus competitive training in a 100-mile radius around the 120-mile radius from your choice of racing."

Hoffman didn't leave anything to chance in the Dallas meet, like the time of his old model airplane, the "Black Hawk."

Black Hawk was designed for world competition. Priced at about \$100, it took about three weeks to build.

The model had the same weight as the original, but it was more compact. "He's working on a more

and better plane for the world meet."

Timekeeping, Payroll Plan Picnic at SD

"Timekeeping" and payroll employees at Convair Fort Worth, Division 10, held their annual picnic at Highway 80 at the site of their annual picnic scheduled for Aug. 12.

The entire facility has been served for their picnic, including the accounting pool, time and payroll, production, divisional, and payroll areas, according to General Chairman Al Krumwiede.

Both Plant 1 and Plant 2 employees are invited to get tickets for their families and friends by calling ext. 547, Plant 1.

Bob Frys' looking forward to July 25 for his big assignment as a test of competition," he said. "There's no such thing as a model airplane competition, but I'm sure it's a good idea to the press of other districts."

Only two others from Dallas have been honored with the distinction and Dr. Frank Loeffel.

LONG WAIT—Nikolai Zhelezko, one-time concession for Convair's expedition to Russia, shown in Canada with his family, waited in New World after a decade of trying.

PBY Project Aide, Jailed in USSR, Finds Asylum in Canada—at Last

A man that Soviet officials had planned to be the tragic figure of a Russian who 12 years ago befriended a team of Convair engineers in the USSR and was to jail for.

It is the tale of Nikolai Zhelezko, now 64, who survived 12 years of prison and prison camps by means of German interpretation and a decade in displaced persons camps while trying to reach the U.S. with his wife, Barbara. Thanks in part to the encouragement and financial assistance of Convair engineers, Zhelezko is now in Canada, re-united with his family. (Continued, page 7, right)

The Convair engineers made Zhelezko a legend in Canada, with 1000 hours they spent helping him, serving from a distinguished position camp to the occupied Soviet Union. He arrived a story of hardship and suffering. Among them, the Convair men, who were friendly with the Americans. Zhelezko was interpreter and then teacher, interpreter and then writer of some before Zhelezko was released.

Nowhere, Zhelezko, now 64, could find a place to live in Canada, and he moved from this side of the Atlantic to help their parents. Finally, he had found a home in Kingston, Ontario, Canada where they now live in Kingston, with their children.

Convair Girl's Voice On 'Hurt Me' Record Leads to a Contract

Convair Fort Worth people can be sure that when they hear a record of "Hurt Me," coming over their radios, those days.

The voice singing the Margie Margolin Margolin Margolin Margolin, was a singer, 24, a singer-singer at FMC.

Margie made the recording at the age of 16. The MGM record company was sufficiently impressed to release the record and to put her under contract.

"Right now," she says, "I left my job, and after vacation, I'm going to go to New York. I'm going to go to New York. And I hope to become a singer. I am going after that."

Wohler Honored at SD Exchange Club

Convair's Sam Draper's C. W. Club, a social function July 11, where he was voted a life membership in the Exchange Club.

A member of the club since 1945 and twice president, Wohler was honored to resign two years ago due to the press of other duties.

Only two others from Dallas have been honored with life membership. They are Bill Klemm and Dr. Frank Loeffel.

READY—Bob Frys shows off old-time guns—part of his collection. The Convair FW engineer keeps guns in top-notch shape and loads his own cartridges.

Old Cap & Ball Pistols Feature Gun Collection

When Bob Frys' parents gave him a gun when he was 12 years ago, he started the Convair FW engineer's gun collection.

Through the years, Frys has added 12 more guns, among them is a pair of 1895-year-old Colt Navy cap and ball pistols. Among them a 1903-year-old Colt and smaller Colt cap and ball pistol, made in 1842 and known as the "officers model."

"I load my guns in an M728 Springfield service rifle,"

"Like many government projects of the time, it was a rifle and Frys said, "I never found they had a movement, the most I had to do is to engrave type for the history when buying new ones, and then I load the fusible bullet projectiles."

Given from more recent wars include a German Luger and a German MP40, originally from the German Air Force during the second World War.

Convair Daingerfield Payroll Rests at 325, Highest in History

Convair Daingerfield has 325 men making more than 2250 the largest number in the history of Convair's division.

"We are not satisfied," Frys said, "in our payroll at Daingerfield in the foreseeable future," said J. E. Arnold, Convair Daingerfield Division manager.

The payroll at the Convair Daingerfield Laboratory increased 2000 employees for about 10 years, and a building started around the first of this year.

All the new work developing in the laboratory has been at the research facility about all the work it can handle.

Group at Holloman Forms Organization For Cheering up Sick

Convair employees at Holloman AFB have formed a new organization, the "Circle of Friendship." It is called "Circle of Friendship."

The organization is entirely voluntary, but those who belong pledge to collect funds and to work at central points to increase the donations.

Money is collected by a central committee which sends flowers to all employees and dependents, hedge and in minor cases, and plants for general decorations at Christmas.

Co-chairmen of the organization are Mrs. M. W. Scott and Mrs. A. C. Gandy. Committee members are Mrs. C. J. Smith, Mrs. J. D. Dickey Jr., C. W. West, Mrs. W. E. Clegg, and Mrs. W. C. Clegg.

Most of Frys' time is in the way disciplines the Convair Electronics Co-Op Club, or Emergency Aid Project, Mrs. Scott pointed out.

Last year, employees contributed \$3500 to the Alamogordo Community Chest through Convair. A large number of them during this annual fund-raising campaign this October.

Augie Hill Appointed To Workshop Board
