## **What Matters Most When No Is Better Than Yes:**

What Matters Most Doug Fields, 2009-08-30 This small book will call to you on days that the janitor reads you the riot act the church secretary jumps down your throat and those home school parents just won't leave you alone In this book Doug Fields shares the wisdom that has helped him survive over 25 years in ministry Just say No That two letter word that often feels like a four letter word to some people has the power to help you stay in ministry for the long haul and keep your family intact and thriving From the book Jesus said no to good things no to significant things no to important people He was 100% God 100% human and he had limits He needed solitude He needed time to reflect and pray and nourish his spiritual life and time away from those bonehead disciples He needed space And Jesus had a lot to do You try being the Savior of the world He had a short window to accomplish his life mission and yet he seemed to prioritize and live so different than we do To say no in ministry is to be radical to be radical is to be counter cultural to be counter cultural is to be like Jesus to be like Jesus should become our goal
